Welcome back, and to issue 34 of our great magazine. This is our first issue since late 2018. We have been on a six month break, but we are back. It is great to be back in the saddle, and sharing some the latest news and products with all of you from the world's of Pop-Culture and Toys. We hit the ground running with issue 34. Inside this issue we have some amazing info on the markets, and some cool merch to win. We have MIB International Packs, AFL 20019 Footy Stars, and so much more to win in this issue and online.

See news on some cool events coming up including Comic Con, Brickman Lego display, and more. We have started a new look for the magazine and website, which will evolve even more over the coming few issues. This issue you see some new columns, including, "Under The Hammer". This column will explore the secondary markets on some of our favourite toys from years gone past.

We have had many questions regarding our Youtube channel. This too will be back online very shortly. We will focus on the magazine getting online, then move our attention to the channel. We are already organising some great content for the channel so stay tuned for more on that one.

Well I hope you like the new magazine, and we are so excited to be back online and in print. The coming months will be very busy for us, as we introduce the new direction for Just4Fun Magazine for you all. Thank you to you all for the comments and support for our magazine.

That's enough from me for now. Let's get into, and remember what I always say, 'Life Was Meant To Be Fun'.

Till next issue.

BRICKMAN CITIES POWERED BY LEGO® CITY COMING TO MELBOURNE!

Discover the history of the world's greatest cities and help create your own cities of the future when Brickman Cities powered by LEGO® CITY takes over Scienceworks Melbourne from Saturday 15 June to Sunday 4 August 2019. This new interactive LEGO® CITY experience from Ryan 'The Brickman' McNaught and his expert team, Brickman Cities powered by LEGO® CITY, elevates the concept to a whole new level. Showcasing the life and architecture of five of the world's most iconic cities – Dubai, London, New York, Sydney and Tokyo – from castles and forts to massive skyscrapers, visitors can trace each city's evolution all the way from 1000AD to today in a fun, educational and immersive way.

Tickets to Brickman Cities powered by LEGO® CITY go on sale at 2pm tomorrow, Tuesday 28 May at Ticketek. Brickman's fourth LEGO® brick experience, Brickman Cities powered by LEGO® CITY has been exclusively curated and built by Ryan 'The Brickman' McNaught and his expert

team. McNaught is the only LEGO® Certified Professional in the Southern Hemisphere, one of just 14 in the world and is the official judge of Channel Nine's new blockbuster reality series, LEGO® Masters.

McNaught hopes the interactive experience will encourage visitors to learn and play whilst also enjoying large scale sculptures. "Brickman Cities brings to life the rich histories of the world's greatest cities like never before and I hope visitors will find it both informative and fun. I can't wait to see young LEGO® enthusiasts take what they have learnt and use their imagination to create their own LEGO® CITY of tomorrow," says McNaught.

At the centre of this new interactive experience is a 3m x 4m scale model of Lower Manhattan, built entirely in white LEGO® pieces with 3D stories of New York projected directly onto them. Using cutting-edge technology of UHD 4K projectors, visitors are taken on a journey from the First People's villages right through to present day.

IMMERSE YOURSELF IN HISTORY DURING THIS BRAND-NEW INTERACTIVE EXPERIENCE

CREATED BY THE LEGO®

MASTERS JUDGE, RYAN 'THE BRICKMAN' MCNAUGHT

"Using 3D technology adds a whole new dimension to the LEGO® experience which I never thought would be possible!

It's very cool to see how it enriches the stories we are trying to tell through this experience," says McNaught. Budding builders itching to get their hands on some LEGO® bricks can do so in the interactive master build zone home to half a million LEGO® bricks where they can build their vision of a LEGO® CITY of tomorrow. Brickman Cities also features a brand-new collaboration with LEGO® CITY, an entire wall showcasing the history of LEGO® CITY, including CITY Fire Stations from decades ago.

More than 1,900 hours and 1 million LEGO® bricks were needed to build Brickman Cities powered by LEGO® CITY. Ryan 'The Brickman' McNaught and the creative team spent a further 250 hours developing sophisticated 3D projections to bring the hero city of New York to life.

With the new experience soon to open in Melbourne and a second series of Channel Nine's smash-hit show LEGO® Masters announced to return in 2020, 'The Brickman' won't be slowing down any time soon.

Don't miss out on travelling through time in the immersive, educational and imaginative world of Brickman Cities powered by LEGO® CITY.

NETFLIX STRANGER THINGS

Fans of the global hit Netflix original series will appreciate the authentic details of this highly collectible LEGO® Stranger Things toy—75810 The Upside Down. This sturdy, brick-built model can flip between the real world and The Upside Down. The design of the model's building instructions makes it a great shared building experience with friends and family. The Byers' house features Will's bedroom, the living room and the dining room. The Upside Down version of the house, from an alternate dimension, features all the rooms from the real-world model but with a dark, vine-covered, dilapidated look that fans will instantly recognize from the series. With 8 Stranger Things figures, each with its own accessories, this playset makes a great gift for Stranger Things fans who will love to build and display this model to show their passion for the series.

- This LEGO® Stranger Things toy includes 8 instantly recognizable Stranger Things minifigures from the hit Netflix original series: Eleven, Mike Wheeler, Lucas Sinclair, Dustin Henderson, Will Byers, Joyce Byers, Chief Jim Hopper and the Demogorgon.
- The Byers' house features a front porch with furniture, living room, dining room and Will's bedroom.
- The living room features authentic details from the series, like the alphabet wall with a light-up function, couch, coffee table, telephone, axe, 'have you seen me?' flyer stickered element and a bear trap to catch the Demogorgon.
- Will's bedroom plays a central role in the series, which this model faithfully replicates, including details like Will's boombox, bed, desk, desk lamp, drawings and movie posters.
- The dining room includes an armchair, boxes that store Christmas lights, fantasy game rule book stickered element and a potted plant.

- The attic space includes a Mind Flayer drawing stickered element and a wizard hat for 'Will the Wise'.
- The Upside Down set captures the look and feel from the Netflix original series, including creepy vines, dark coloring and a dilapidated look.
- Chief Jim Hopper's police truck includes a removable roof for easy access to the interior and a pumpkin element as a reminder of Season 2.
- Accessory elements include Lucas' slingshot and flashlight, Dustin's walkie-talkie and compass, Mike's flashlight and walkie-talkie, Hopper's coffee mug, Joyce's flashlight and drawing of 'Will the Wise', and Eleven's waffle.
- This Stranger Things collectible includes over 2,200 pieces and comes in 11 bags, so the real world and The Upside Down can be built at the same time for a shared building experience.

Measures over 12" (32cm) tall, 17" (44cm) wide and 8" (21cm) deep.

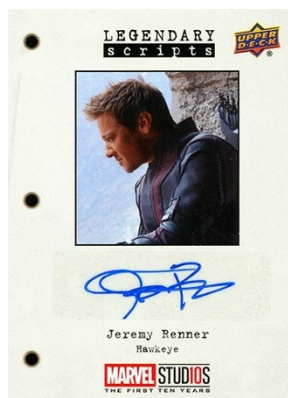

2019 Upper Deck Marvel Studios: The First Ten Years.

The base set has a total of 150 cards, 50 of which are short prints. The 100-card shell set is character-based. With so many films to draw from, there's plenty of people out there to fill out the checklist.

Short prints combine to land six per box. Roman Numeral inserts, which fall approximately four per box, offer a count for all the films that make up the Marvel Cinematic Universe.

Trading Card News.

Trading news From Around The World.

2019 RITTENHOUSE GAME OF THRONES INFLEXIONS GOES HIGH-END.

The main base set is a big one, spanning 150 total cards. Like Valyrian Steel, it's an anthology-style checklist that covers the entire series except for season eight. The focus is on key moments from the show rather than simply character profiles.

Each pack has three base cards. The combination of the small packs and higher price tag should make building it a challenge although not impossible.

Base cards have a couple of parallels, although just one of them is available in packs. Mirror versions fall under a group of inserts Rittenhouse has branded as 'tech cards,' which combine to land one per pack.

There are also Gold Metal parallels. These sets are only given out as a ten-case incentive. Each is numbered to 40.

McFarlane Toys Game of Thrones Drogon Deluxe Box, Black.

Incredibly detailed figure of Dragon as seen in HBO's critically acclaimed series game of Thrones

Features bendable tail with movable legs, wings, and neck allowing for customizable posing

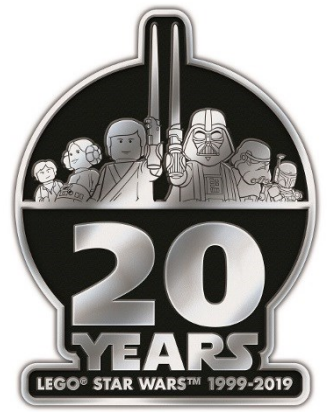

Drogon's wings span inches wide and features up and down movement

Drogon measures 6-inches H x 13-inches W x 9-inches D when fully displayed on base

Figure is showcased in window box collector packaging

20 YEARS OF BUILDING THE STAR WARS UNIVERSE WITH LEGO!

The LEGO Group raises its lightsabers to toast the fans instrumental to the success of the LEGO® Star Wars™ 20-year legacy and launches five new special edition sets to mark the anniversary.

Twenty years ago, in a galaxy far, far away, the LEGO® Star Wars™ collaboration entered the lives of millions of children and fans around the world. Today, the LEGO Group is celebrating the 20th anniversary of the much-loved range that continues to unite fans of all ages and has inspired some of the greatest battles ever built.

LEGO Star Wars was the LEGO Group's first IP franchise and has since remained one of the most popular, allowing fans across generations and geographies to come together in fun and challenging building exercises. Around 700 different sets (including 1,000 LEGO Star Wars minifigures), five video games, several television and web series, and an abundance of other fun merchandise have been released since the initial launch.

From: the official Lego Australi page. (www.lego.com/en-au).

2019 TOPPS STAR WARS CHROME LEGACY BRINGS A RAINBOW TO A FAR AWAY GALAXY.

A total of 200 cards make up the 2019 Topps Star Wars Chrome Legacy checklist. It's somewhat limited in scope, at least on the Star Wars scale, sticking to the original trilogy, prequels and the two most recent sequels. Spinoff movies, TV shows and other realms of Star Wars lore are not found here. Sadly to three collectors, that means no Holiday Special, either.

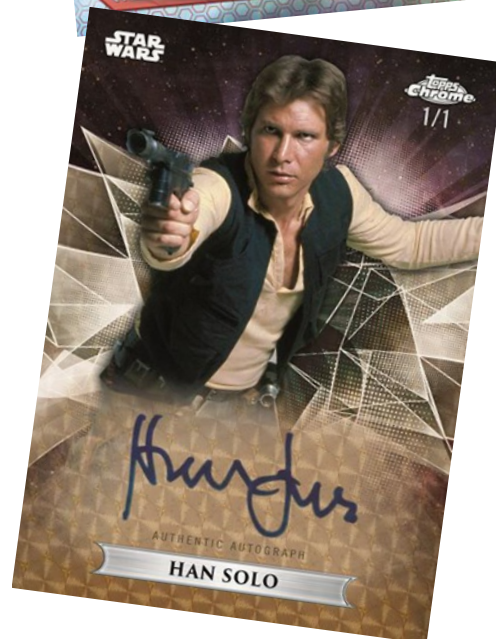

- In typical Topps Chrome fashion, there's a rainbow of Refractor parallels. Basic Refractors, which have a rainbow background pattern when shone under bright light, are 1:3 packs. Other Refractors colors include Blue (/99), Green (/50),

Orange (/25), Black (/10), Red (/5) and Superfractors (1/1).

- Autographs - Like the base set, autographs feature Classic Trilogy, Prequel and New Trilogy themes. All three are divided up into different parts on the checklist, each with different designs.
- Autograph parallels come in the form of Blue Refractors (/99), Green Refractors (/50), Orange Refractors (/25), Black Refractors (/10), Red Refractors (/5) and Superfractors (1/1).
- Dual Autographs are also available in packs. These have just three Refractors parallels, all of which are tough: Black (/10), Red (/5) and Superfractor (1/1).

Other Inserts

- 2019 Topps Star Wars Chrome Legacy has a few other insert sets. Marvel Comic Book Covers represent the first time they have become cards in a Topps card set.
- Other regular inserts include Posters, which highlight advertising art from the eight movies, and Concept Art that show things in the planning stages.
- 2019 Topps Star Wars Chrome Legacy Concept Art. All three of these inserts have five levels of Refractor parallels: Green (/50), Orange (/25), Black (/10), Red (/5) and Superfractor (1/1).
- As far as other premium inserts go, 2019 Topps Star Wars Chrome Legacy has two outside of autographs.
- Sketch cards come with original art. Besides regular cards, there are Shaped Sketch Cards cut to the outline of a Porg.
- Commemorative medallions come with a Droid theme this time around. These have Blue Refractor (/99), Green Refractor (/50), Orange Refractor (/25), Black Refractor (/10), Red Refractor (/5) and Superfractor (1/1) parallels.

COMING JUNE!

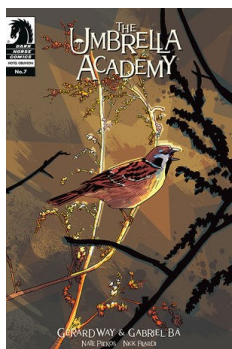

DISNEY FROZEN: THE HERO WITHIN #1

Olaf's friend from the orphanage, Hedda, receives a personal invitation to Arendelle Castle. Although she has an amazing imagination, this is something she never dreamed would happen, especially with the way some of the other kids treat her. But as Kristoff

knows and tells, life at an orphanage can be unpredictable and full of surprises . . .

* Meet Hedda, a new character in the Frozen comic book series, who has a wild imagination!

Godzilla II: King of the Monsters

Rated: M. Running Time: 132 mins

Following the global success of "Godzilla" and "Kong: Skull Island" comes the next chapter in Warner Bros. Pictures' and Legendary Pictures' cinematic MonsterVerse: "Godzilla II: King of the Monsters," an epic action adventure that pits Godzilla against some of the most popular monsters in pop culture history. The new story follows the heroic efforts of the crypto-zoological agency Monarch as its members

face off against a battery of god-sized monsters, including the mighty Godzilla, who collides with Mothra, Rodan, and his ultimate nemesis, the three-headed King Ghidorah. When these ancient super-species--thought to be mere myths--rise again, they all vie for supremacy, leaving humanity's very existence hanging in the balance. GODZILLA II: KING OF THE MONSTERS is directed by Michael Dougherty and stars Vera Farmiga, Ken Watanabe, Sally Hawkins, Kyle Chandler, Millie Bobby Brown, Bradley Whitford, Thomas Middleditch, Charles Dance, O'Shea Jackson Jr., Aisha Hinds and Zhang Ziyi.

Spider-Man: Far from Home

CTC

Peter Parker returns in Spider-ManT: Far From Home, the next chapter of the Spider-ManT: Homecoming series! Our friendly neighbourhood Super Hero decides to join his best friends Ned, MJ, and the rest of the gang on a European vacation. However,

Peter's plan to leave super heroics behind for a few weeks are quickly scrapped when he begrudgingly agrees to help Nick Fury uncover the mystery of several elemental creature attacks, creating havoc across the continent!

The Lion King.

CTC.

Simba idolises his father, King Mufasa, and takes to heart his own royal destiny. But, not everyone in the kingdom celebrates the new cub's arrival. Scar, Mufasa's brother--and former heir to the throne--has plans of his own. The battle for Pride Rock is ravaged with betrayal, tragedy and drama, ultimately resulting in Simba's exile. With help from a curious pair of newfound friends, Simba will have to figure out how to grow up and take back what is rightfully his.

X-Men: Dark Phoenix

CTC

This is the story of one of the X-Men's most beloved characters, Jean Grey, as she evolves into the iconic DARK PHOENIX. During a life-threatening rescue mission in space, Jean is hit by a cosmic force that transforms her into one of the most powerful mutants of all. Wrestling with this increasingly unstable power as well as her own personal demons, Jean spirals out of control, tearing the X-Men family apart and threatening to destroy the very fabric of our planet. The film is the most intense and emotional X-Men movie ever made. It is the culmination of 20 years of X-Men movies, as the family of mutants that we've come to know and love must face their most devastating enemy yet -- one of their own.

- Paul Smith plays a cameo in the movie as the proprietor of the type writer shop which hides the secret entrance to MIB London.
- The MIB London set was built to be exactly the same size as the MIB New York set in Men In Black III – 25,000 sqft.
- H's vintage Jag hides a multitude of alien busting fire-arms; one in the door handle, the front wing mirror, the rear bumper, the hubcap, the exhaust pipe, and the rear wheel.
- For the scene in the Moroccan Kasbah, where MIB agents try to corner M & H, all the agents on the roof of the Kasbah Mosque had to be of the Muslim faith. It was the first time anyone had filmed a scene with people on the top of the mosque.
- The Art Department produced 610 technical drawings for this MIB movie. In total, they printed 44 miles of technical drawings, which were issued to all the key departments.
- 55 white-card scale models of the set builds were made and used in planning camera angles and lighting.
- Les Twins, who play the alien twins, were once backing dancers for Beyoncé.
- The graphics team created four different alien languages for the signage in the MIB London arrivals hall.
- 130 tons of red sand was transported from the Peak District to Leavesden Studios to make the sand dunes of the Merzouga Desert on E Stage.
- During the flash back sequence, the neuralyzer used on Molly's parents was an original prop from the first Men In Black movies.
- The original neuralyzers are 12 inches long, whereas the 2019 version is slightly smaller at 10 inches.

Quiet family man and hard-working snowplough driver Nels is the lifeblood of a glitzy resort town in the Rocky Mountains because he is the one who keeps the winter roads clear. He and his wife live in a comfortable cabin away from the tourists. The town has just awarded him "Citizen of the Year"; But Nels has to leave his quiet mountain life when his son is murdered by a powerful drug lord. As a man

who has nothing to lose he is stoked by a drive for vengeance. This unlikely hero uses his hunting skills and transforms from an ordinary man into a skilled killer as he sets out to dismantle the cartel. Nels' actions ignite a turf war between a manically unpredictable gangster known as Viking and a rival gang boss. Justice is served in one final spectacular confrontation that will leave (almost) no one unscathed.

UNDERMINED: TALES FROM THE KIMBERLEY.

Rated: M

RUNNING TIME 92 MIN

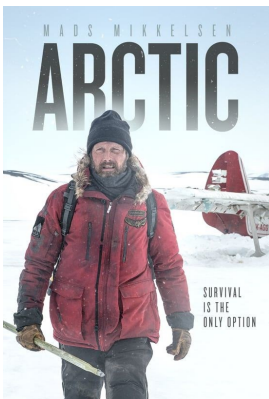

Australia's vast and unspoiled Kimberley region is under threat, with mining, pastoralism and irrigated agriculture driving an unprecedented land grab. Undermined investigates the politics of an area now branded "the future economic powerhouse of Australia", and what this means for our First People and their unique cultural landscapes. As pressure from industry exposes the limits of Indigenous land rights, what will remain of over 200

remote Aboriginal communities? We follow young leader Albert Wiggan, veteran cattleman Kevin Oscar and Senior Elder June Davis through David-and-Goliath battle to preserve their homelands, asking the question: for whose benefit is this development?

ARCTIC.

RUNNING TIME 97 MIN

Rated: M

Nothing registers the fragility of a human quite as starkly as the sight of a mere dot ambling through an endless ocean of white snow. Nothing represents endurance quite as vividly as an individual trudging through a howling gale, barely visible through heavy spin-drift. Sole-survivor of a plane crash, and stranded deep within the icy Arctic Circle, Overgård (Mads Mikkelsen, Hannibal) spends his days surviving

on the fish he can pull from beneath the ice while waiting for a rescue that may never come. When a sudden turn of events finds him no longer on his own, Overgård must make a choice between self-preservation at the cost of another's life, or making the trek through the frozen wasteland in order to save them. The debut feature from director Joe Penna, Arctic is a powerful saga of survival in the face of a hostile landscape and the choices that define our humanity in the spirit of 127 Hours and All is Lost.

METROPOLIS (BLU-RAY)

Brace yourself for a totally new experience in cutting-edge animation. Based on the classic comic created by Osamu Tezuka (Astro-Boy), written by Japanese anime legend Katsuhiro Otomo (Akira) and directed by Rintaro (Galaxy Express 999), Metropolis is a spectacular film featuring stunning imagery and unforgettable characters.

In the industrial, tri-level world of Metropolis, Duke Red is a powerful leader with plans to unveil a highly advanced robot named Tima. But Duke Red's violent son, Rock, distrusts robots and intends to find and destroy Tima.

Lost in the confusing labyrinth beneath Metropolis Tima is beginning a sweet friendship with the young nephew of a Japanese detective. But when Duke Red separates the two innocents, Tima's life - and the fate of the universe - is dangerously at stake.

Star Wars Jedi: Fallen Order Deluxe Edition content:

- *Star Wars Jedi: Fallen Order Game*
- *"Director's Cut" suite of behind-the-scenes features and content*
- *Additional unique cosmetic equipment for your adventure*

Rebuild the remnants of the Jedi Order!

A galaxy-spanning adventure awaits in Star Wars Jedi: Fallen Order, a new 3rd person action-adventure title from Respawn Entertainment. This narratively-driven single-player game puts you in the role of a Jedi Padawan who narrowly escaped the purge of Order 66 following the events of Episode 3: Revenge of the Sith. On a quest to rebuild the Jedi Order, you must pick up the pieces of your shattered past to complete your training, develop new powerful Force abilities, and master the art of the iconic lightsaber - all while staying one step ahead of the Empire and its deadly Inquisitors.

While mastering your abilities, players will engage in cinematically-charged lightsaber and Force combat designed to deliver the kind of intense Star Wars lightsaber battles as seen in the films. Players will need to approach enemies strategically, sizing up strengths and weaknesses while cleverly utilizing your Jedi training to overcome your opponents and solve the mysteries that lay in your path.

Star Wars fans will recognize iconic locations, weapons, gear, and enemies while also meeting a roster of fresh characters, locations, creatures, droids and adversaries new to Star Wars. As part of this authentic Star Wars story, fans will delve into a galaxy recently seized by the Empire. As a Jedi hero-turned-fugitive, players will need to fight for survival while exploring the mysteries of a long-extinct civilization all in an effort to rebuild the remnants of the Jedi Order as the Empire seeks to erase the Jedi completely.

Features:

- **Cinematic, Immersive Combat – Jedi:** Fallen Order delivers the fantasy of becoming a Jedi through its innovative

lightsaber combat system – striking, parrying, dodging - partnered with a suite of powerful Force abilities you'll need to leverage to overcome obstacles that stand in your way. This combat system is intuitive to pick up but takes training and practice to fully master its nuances as you gain new powers and abilities along your adventure.

- **A New Jedi Story Begins** - As a former Padawan on the run from the Empire, you must complete your training before Imperial Inquisitors discover your plan to revive the Jedi Order. Aided by a former Jedi Knight, a cantankerous pilot, and a fearless droid, you must escape the evil machinations of the Empire in a story-driven adventure. Explore and overcome a wide range of challenges focused on combat, exploration, and puzzle-solving.
- **The Galaxy Awaits** - Ancient forests, windswept rock faces, and haunted jungles are all unique biomes you'll explore in Jedi: Fallen Order, with the freedom to decide when and where you go next. As you unlock new powers and abilities, opportunities open up to re-traverse maps in new ways; leveraging the Force to augment the way you explore. Move quickly, however, as the Empire is actively hunting your every step in their effort to exterminate all remnants of the Jedi Order.

Merch Review: TOY STORY 4

Pop-Culture & Toys From Yesterday.

TOY STORY 4

DISNEY-PIXAR

Woody has always been confident about his place in the world and that his priority is taking care of his kid, whether that's Andy or Bonnie. But when Bonnie adds a reluctant new toy called "Forky" to her room, a road trip adventure alongside old and new friends will show Woody how big the world can be for a toy. Directed by Josh Cooley ("Riley's First Date?") and produced by Jonas Rivera ("Inside Out," "Up") and Mark Nielsen (associate producer "Inside Out"), Disney Pixar's "Toy Story 4" ventures to cinemas on June 20, 2019.

The coming pages have some of the newest merchandise from Mattel.

Under The Hammer.

What Some Popular Toys & Collectibles Are Selling For.

Under The Hammer explores the world of secondary market toys. Here we see what some of the toys from days gone by are selling for, using online auction results for a guide to average price.

Remember auctions, whether online or at an auction house are an excellent way to gage what an item is roughly valued at, but they are not a bible to an items value. Something is only ever worth what the market is willing to pay for it. There are so many factors that drive the price of an item when at auction, that can result in an item selling for varying prices at varying auctions. So in short these values quoted here are rough guides. This issue we explore Ebay to see what amazing toys are selling for.

The Girls' Guide to Growing Up Great

Changing Bodies, Periods, Relationships, Life Online.

The Girls Guide to Growing Up Great is about thriving during puberty – not simply surviving it. A positive, empowering guide for girls aged from 10 years. Covering everything from bodies and bodily changes, friends, feelings and sex (with all its different meanings and connotations) as appropriate for the age group, as well as vital information about the internet, cyberbullying and how to stay safe online.

Readers are encouraged to face head on the changes coming their way, allowing them to recognise the bumps on the road ahead, enabling them to understand their bodies (the pluses and the minuses) and help to counter any fears or disassociations between mind and body that puberty can bring about.

Featuring witty and original illustrations from Flo Perry as well as space to doodle and really make the book their own.

Also including contributions from Laura Chaisty, a trained psychotherapist, as well as medical input from GP Maddy Podichetty, this well-balanced book gives a modern reflection of what it's like growing up today.

Goat's Coat.

By: Tom Percival

Illustrator: Christine Pym.

Let me tell you the tale of Alfonzo the goat, who was terribly proud of his lovely new coat. Alfonzo was happy; he pranced and he skipped. Then he heard a sad noise, croaking out of a ditch.

When Alfonzo the goat discovers a host of creatures who need help, he doesn't hesitate. Using his precious, much-loved coat, he finds ways to solve their problems - fashioning a boat for frogs out of a cuff, for instance. But soon he's down to the last thread and it's started to snow... What will he do?

A really fun, rhyming story about a very generous goat, celebrating friendship and kindness, with extremely cute illustrations by Christine Pym.

THE NEW KID: VERY POPULAR ME.

James O'Loughlin, Matthew Martin

Sam's finally got what he always wanted - he's popular!

He owns the school's most wanted marble, kids sit with him at lunch and even Johnny Wilson has stopped calling him 'Derr-brain'.

Things are looking up at home too. When his new baby sister arrives, he'll no longer be a lonely, only child.

But when Sam becomes the teacher's pet his popularity drops faster than a tomato in a lift. Soon even his best friend Gary won't talk to him, and the new kid at home is an attention-sucking, crying disaster.

Who knew that getting exactly what you wanted could be so painful?

AUTHOR INFORMATION

James O'Loughlin is an author, broadcaster and a few other things. He grew up in Canberra as an only child, but his mother never checked that his shoes were on the right feet. James lives in Sydney with his wife and three daughters, who tell him when his jokes work, and when they don't. This is his sixth book for children and second book in The New Kid series.

Matthew Martin is an internationally known cartoonist and illustrator. His work has appeared regularly in the Sydney Morning Herald, Time, Rolling Stone, The Times of London, and The New York Times.

KAT WOLFE TAKES THE CASE: A WOLFE & LAMB NOVEL 2.

By: Lauren St. John

Join brave Kat Wolfe and her animal side-kicks in this second mysterious adventure filled with friendship, freedom and a fierce wild cat!

When a landslide on the Jurassic Coast reveals a rare 'dragon' dinosaur, best friends Kat Wolfe and Harper Lamb are thrilled, especially when stars and scientists come flocking to sleepy Bluebell Bay.

But after they begin investigating a suspicious death, events spiral quickly out of control for detectives Wolfe and Lamb. Worse still, Kat's wild cat is in trouble. Can they solve the mystery— and save the cat's life— before it's too late?

Kat Wolfe Takes the Case is the second book in Lauren St. John's Wolfe & Lamb series, and is illustrated by Daniel Deamo.

ASH PRINCESS: BOOK 1

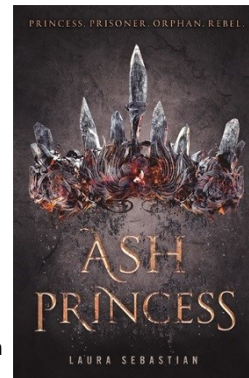

Laura Sebastian.

Princess. Prisoner. Orphan. Rebel.

Theodosia was six when her country was invaded and her mother, the Fire Queen, was murdered. On that day the Kaiser took Theodosia's land and her name. Theo was crowned Ash Princess - a title of shame to wear in her new life as a prisoner.

For ten years Theo has been a captive in her own palace. She's endured the relentless abuse and ridicule of the Kaiser and his court. She is powerless, surviving in her new world only by burying the girl she was deep inside. Then, one night, the Kaiser forces her to do the unthinkable. With blood on her hands and all hope of reclaiming her throne lost, she realizes that surviving is no longer enough. But she does have a weapon: her mind is sharper than any sword.

And power isn't always won on the battlefield. "Tense and imaginative. Ash Princess is a smart, feminist twist on a traditional tale of a fallen heroine, with plenty of court intrigue, love, and lies to sweeten the deal. Good luck putting this one down." Virginia Boecker, author of the Witch Hunter series

SPINNING SILVER

Naomi Novik

Spinning Silver is a new take on the classic fairytale Rumpelstiltskin, from Naomi Novik, the author of the award-winning Uprooted.

Miryem is the daughter and granddaughter of moneylenders, but her father is not a very good one. Free to lend and reluctant to collect, he has left his family on the edge of poverty - until Miryem intercedes. Hardening her heart, she sets out to retrieve what is owed, and soon gains a reputation for being able to turn silver into gold. But when an ill-advised boast brings her to the attention of the cold creatures who haunt the wood, nothing will be the same again. For words have power, and the fate of a kingdom will be forever altered by the challenge she is issued.

ROGUE.

A. J. Betts.

There was no going back; there was no choice, anymore. I'd chosen out and this was it: hot-cold, dry-wet, bright-dark and lonely.

Hayley has gone rogue.

She's left everything she's ever known - her friends, her bees, her whole world - all because her curiosity was too big to fit within the walls of the underwater home she was forced to flee.

But what is this new world she's come to? Has Hayley finally found where she can belong? Or will she have to keep running?

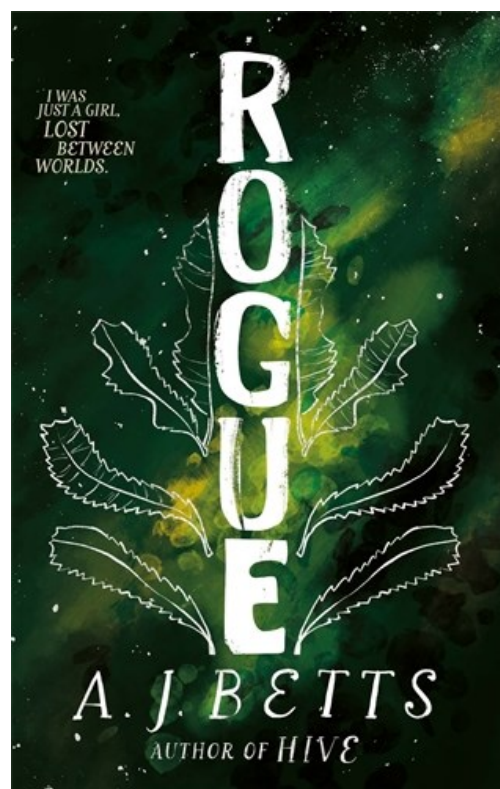

PRAISE FOR THE FIRST BOOK IN THE SERIES, HIVE.

"A striking dystopian world: Hive carves out a niche through intriguing and original world-building [with] enough imaginative vitamin to tease readers into anticipating the second and final volume in the series." Sydney Morning Herald.

Otherworld.

By: Jason Segel, Kirsten Miller

"When I was a teenager, I was one of the lucky few who got to experience a game very much like Otherworld before it was shut down. When I heard rumblings it was being reimagined for VR, I knew it was something Kirsten and I had to write about. Part mythic adventure, part sci-fi love story, entirely cautionary tale - we wanted to reach the new generation of potential players before this 'game' becomes a reality." - Jason Segel

There are no screens. There are no controls. You don't just see and hear it-you taste, smell, and touch it too.

In this new reality, there are no laws to break or rules to obey. You can live your best life. Indulge every desire. It's a game so addictive you'll never want it to end. Until you realize that you're the one being played.

Step into the future. Leave your body behind. Welcome to Otherworld.

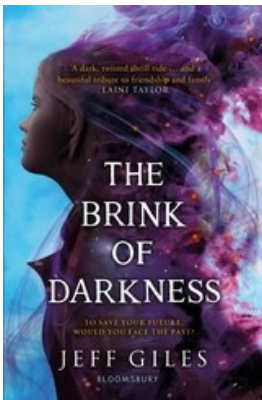

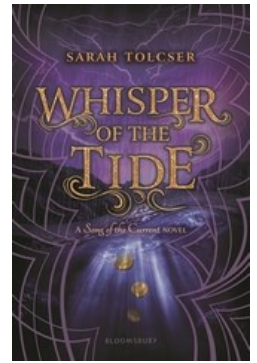

Whisper of the Tide.

By: Sarah Tolcser

Caro and Markos have settled into a routine: Wake up, eat breakfast, and try to figure out who might attempt to assassinate Markos today . . . so the currents aren't exactly calm. Markos is in constant danger, and his claim to the throne is shaky without the support of an army. But then a powerful Archon offers Markos the military might he needs in exchange for marrying his daughter. Markos and Caro must decide which is more important: their love for each other or the fate of Akhaia.

With shipwrecks, lost treasure, old and new enemies, dark magic, and breathtaking romance, Sarah Tolcser weaves another epic story about chasing your fate and charting your own course.

The Brink of Darkness.

By: Jeff Giles

Things have changed for seventeen-year-old Zoe ever since the dramatic events that brought her together with the mysterious X. In order to save Zoe and her family, X did the unthinkable - he traded their freedom in exchange for his captivity in the Lowlands forever.

But being back in the Lowlands has its advantages. It gives X the chance to discover his past, which could be the key to breaking the Lords' hold on him forever. Little does X know that Zoe has her own plan to reunite with him . . . one that risks her life and brings her perilously close to losing all that she and X are fighting for.

Dark Blade: Whispers of the Gods Book 1.

By: Steve Feasey

A sweeping epic fantasy perfect for fans of the Summoner trilogy by Taran Matharu and *Shadow and Bone* by Leigh Bardugo
WHEN GODS FAIL, WHO WILL KEEP THE DARKNESS OUT?

Lann knows nothing of his mysterious past, but by his fifteenth birthday he will come face to face with destiny. For Lann must wield the Dreadblade, an ancient sword forged to defeat terrible monsters.

Across the mountains a King has been murdered. His daughter, Astrid, is a warrior with no desire to bear the crown. Only she can uncover her father's killer before her brother is framed for the crime.

Evil is stirring. Lann and Astrid are the kingdom's last defence. Together, they must face the greatest darkness their world has ever known.

Me : The Autobiography

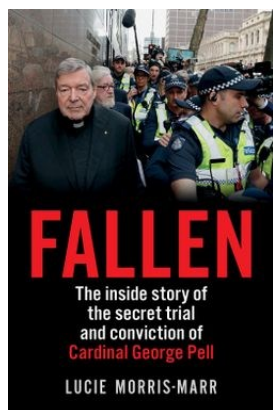

By Elton John

Hardback

Publication Date: 15/10/2019.

In his first and only official autobiography, music icon Elton John reveals the truth about his extraordinary life, which is also the subject of the upcoming film *Rocketman*. The result is *Me* - the joyously funny, honest and moving story of the most enduringly successful singer/songwriter of all time. Christened Reginald Dwight, he was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with song-writing partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In *Me* Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father.

In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend.

Fallen

The Inside Story of the Secret Trial and Conviction of Cardinal George Pell
 by Lucie Morris-Marr
 Paperback / softback

Publication Date: 17/09/2019

There was an eerie silence in the packed courtroom as everyone looked towards the foreman of the jury. 'Guilty' he pronounced five times.

The third most senior Catholic cleric in the world had been found guilty of sex crimes

against children. It seemed unimaginable.

Investigative journalist Lucie Morris-Marr was the first to break the story for the Herald Sun that Cardinal George Pell was being investigated by the police. She attended every day of his secret trial, and she now tells the full story of the fall of a prince of the church. From his modest upbringing, his steady rise to the most senior ranks of the church in Australia, to his appointment by Pope Francis to the position of treasurer in the Vatican, it seemed nothing could stop George Pell. Yet in 2016 Lucie Morris-Marr broke the story that Pell was being investigated by the Victorian police, and Pell returned to Australia to stand trial.

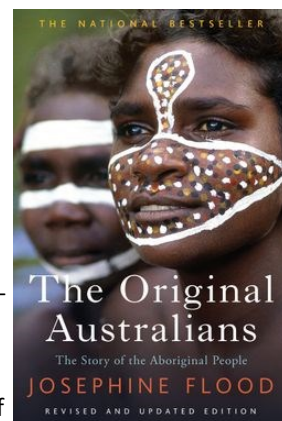

Fallen includes many details from the dramatic court proceedings that have not been reported, as well as the author's journey investigating the biggest story of her career and the attacks she endured from Pell supporters. This book also charts how Pell's shocking conviction struck the inner sanctum of the Holy See, plunging the Catholic Church into an unprecedented crisis after decades of clergy abuse cases. It is a gripping story that will fascinate anyone interested in the Catholic Church and its failure to address the canker in its heart.

The Original Australians

Story of the Aboriginal People
 by Josephine Flood
 Paperback / softback
 Publication Date: 17/06/2019.

Everything you'd like to know about Aboriginal Australia past and present, presented in an accessible, authoritative and straightforward style. An updated edition of a national bestseller. *The Original Australians* tells the story of Australian Aboriginal history and society from its distant beginnings to the present day. From the wisdom and paintings of the Dreamtime to the first contact between Europeans and Indigenous Australians, through to the Uluru Statement, it offers an insight into the life and experiences of the world's oldest surviving culture. The resilience and adaptability of Aboriginal people over millennia is one of the great human stories of all time.

Josephine Flood answers the questions that Australians and visitors often ask about Aboriginal Australia: Where did the Aboriginal people come from and when? How did they survive in Australia's harsh environment? What was the traditional role of indigenous women? What are land rights? How do Aboriginal people maintain their culture today? And many more. This bestselling account has been updated and is fascinating reading for anyone who wants to discover Aboriginal Australia.

Diary of a Crap Housewife.

Why not cut the crap, take the pressure off and admit to the moments, days, weeks and months when the wheels of the household do fall off?

'Warning: this ain't no recipe book! But Jess's real, raw and often roaringly funny tales will nourish your soul. You'll devour it! And ask for seconds!' - Sarah Harris

'J-Ro's exuberance for this wonderful, sometimes messy and at times chaotic journey through life jumps joyfully out of each page. She's honest. She's disorganised. And she's got a heart of gold. Viva la Crap Housewife!' - Samantha Armytage

Why not cut the crap, take the pressure off, and admit to the moments, days, weeks and months when the wheels fall off?

In this fabulously funny, down-to-earth book, *Diary of a Crap Housewife*, Jessica Rowe writes honestly about her talent (or lack thereof) for cooking, about what's really important when

it comes to mothering and family, and about her many and varied views, musings and commonsense advice on other crap housewife matters. As an added bonus, there are thirteen crap housewife recipes included, from Jessica's old favourite, spag bol, to a fresh and tasty Waldorf salad, and all so simple you can't go wrong.

Being a crap housewife is a badge Jessica wears with pride, and it's a title she invites other women to embrace. The idea of crap lies in the real-life messes, hiccups, disasters and bad meals that many of us dish up and deal with every day. This mum is tired of the photos of perfectly packed school lunches, posts about gourmet family dinners eaten together at the table, and tales of neat, tidy and obedient children with smoothly brushed hair.

It's time to reset the bar. Make expectations realistic. Strive to be kind, loving, smart and funny. Perfection is not required.

'Jess Rowe may be a crap housewife but she is a great writer and an even better friend. And she's right: I can be a bit of a smart arse.' - Joe Hildebrand

'This woman has enriched my life. And if you read this book your life will be enriched with honesty and love too!' - Denise Drysdale.

WILD AND CRAZY GUYS: HOW THE COMEDY MAVERICKS OF THE '80S CHANGED HOLLYWOOD FOREVER.

Wild and Crazy Guys is the larger-than-life story of the much-loved Hollywood comedy stars that ruled the 1980s.

As well as delving behind the scenes of classic movies such as *Ghostbusters*, *Beverly Hills Cop*, *The Blues Brothers*, *Trading Places* and dozens more, it chronicles the off-screen, larger-than-life antics of Bill Murray, Eddie Murphy, Chevy Chase, Steve Martin, John Candy et al. It's got drugs, sex, punch-ups, webbed toes and Bill Murray being pushed into a swimming pool by Hunter S Thompson, while tied to a lawn chair.

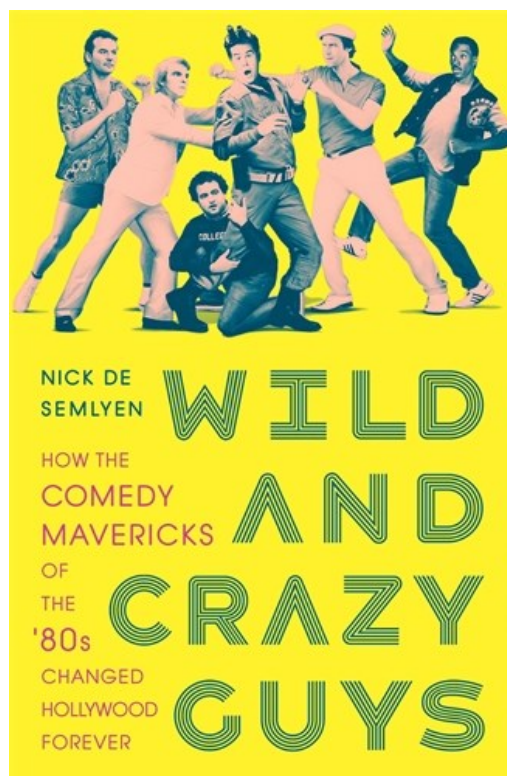

It's akin to Peter Biskind's *Easy Riders, Raging Bulls*, following the key players through their highs and lows, and their often turbulent relationships with each other. Nick de Semlyen has already interviewed pretty much all the big names for *Empire*, as well as directors such as Walter Hill, John Landis and Carl Reiner, and is sitting on lots of unseen material.

Taking you on a trip through the tumultuous '80s, *Wild And Crazy Guys* explores the friendships, feuds, triumphs and disasters experienced by these iconic funnymen. Based on candid interviews from the stars themselves, as well as those who entered their orbit, it reveals the hidden history behind the most fertile period ever for screen comedy.
