2019 CHRISTMAS FEATURE #1.

The first of our Christmas Features showcasing some of the great Christmas offerings from Australia's biggest companies. The feature starts on Page 21.

Welcome to issue 37 of our magazine. Nearly at the end of another year again. This means for Just4Fun readers it's time for more Christmas features. These are very popular with our readers. The first of three appears here in this issue. In these features we explore some of the great gift ideas for this Christmas. Due to the popularity of these features this year they are bursting at the seams with over 15 pages of Christmas toy ideas.

Moving on from that we will look at some of the latest news from the Pop-Culture and toy markets. This time of year is not just all about Christmas, but will soon explode with the frenzy that is Star Wars. Our final episode is about to explode onto screens. We have an initial look at some of the new toys with Force Friday reveals in this issue. We will have so much more info in coming issues.

You will notice over the coming issues some regular columns drop out of the mag for an issue and then appear back. We are currently playing around with the structure of the magazine to bring you a better format and layout.

So much to look at and so little space to do it all in. But let's get into it and I hope you enjoy this issue. So that's enough from me for now. Let's get into, and remember what I always say, 'Life Was Meant To Be Fun'.

Till next issue.

BLACK HAMMER

A perfect intro to three great storylines in the Black Hammer-verse for just one dollar! This three-in-one anthology features the first issues of the original Black Hammer run, Sherlock Frankenstein, and Quantum Age, collected together in a discount package!

- * Perfect introduction to the Black Hammer universe.
- * Features art by Dean Ormston, David Rubín, and Wilfredo Torres.

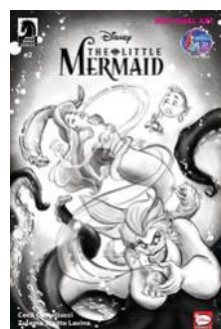

"I didn't think something could be thrilling and sad at the same time but now there's Black Hammer proving me wrong. Amazing, just flat-out amazing." -Patton Oswalt

DISNEY FROZEN: TRUE TREASURE #1

During a tribute to beloved King Agnarr and Queen Iduna of Arendelle, Elsa and Anna stumble upon some old boxes of their parents' belongings. What they find inside sparks one of their youngest childhood memories--and they begin an adventure of mystery and surprise.

- A lead-up to the highly anticipated film, Disney Frozen 2, in theaters November 22, 2019!

DISNEY THE LITTLE MERMAID #2

Ariel's trove of treasures is discovered by King Triton, and the memento of her forbidden love for a human, Prince Eric, is destroyed. Ariel is faced with the ultimate decision--will she sacrifice the essence of who she is to pursue the love she knows to be true?

ELFQUEST: STARGAZER'S HUNT #1

When ElfQuest: The Final Quest concluded, it ended the hero's journey of Cutter Kinseeker, chief of the Wolfriders. But that was only the start of a new adventure for Cutter's "brother in all but blood," Skywise. Now the stargazer elf, who thought he knew everything about Cutter, discovers how mistaken he was. That, combined with a tragic accident involving his daughter Jink, sends Skywise on a quest of his own, from the elves' ancestral Star Home through uncharted space, and back to the World of Two Moons.

Stargazer's Hunt has story by ElfQuest co-creators Wendy and Richard Pini, with script by Wendy Pini. Veteran Elfquest alumnus Sonny Strait returns at full force as the artist and colorist for the new series.

- * All-new material for an established character.

INVISIBLE KINGDOM #7

The Sundog has been captured by pirates, with Grix and the crew at the mercy of its black-hearted captain Turo. When a disabled Lux ship is found stranded in the junk rings, it becomes the Riveters' next target... and the Sundog is dragged along for the increasingly treacherous ride.

AMERICAN GODS: THE MOMENT OF THE STORM #7

Confronted by revelations about his past and future and determined to put a stop to the upcoming divine bloodbath, Shadow puts himself at the center of the battle between new and old gods.

TRIAGE #3

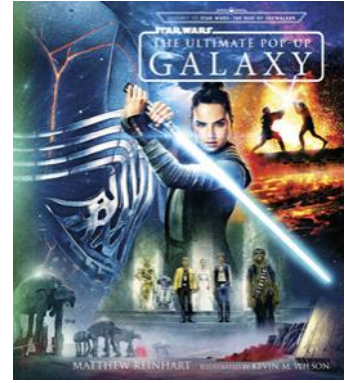

Evie, Marco, Orbit, and Tab are forced to jump dimensions during an intense battle with Hunter, leading them to Marco's desert homeworld where her outpost is currently under fire. As Evie tends to Marco's pregnant partner's delivery, Tab must help Marco fend off the marauders that threaten their safety.

STAR WARS

FORCE FRIDAY.

Well it is that time of year again, Force Friday. The day so many of us so keen to see what the big names in licensing have in store for us Star Wars collectors, fans, and kids alike. This year will be big with the pending release of the final Star Wars film in the current saga. Here's a quick look at some info that came to us right before printing the magazine. There will be much more online, but we literally received all of this as the magazine was ready to print, so we halted the print to insert some info for you. All info is a little rough, and only brief due to the lateness. But see our webpage and the next issue for much more detailed look.

The Journey to Star Wars: The Rise of Skywalker begins with new books and comics, including an incredibly detailed pop-up book exploring the galaxy far, far away.

Prepare to play through the epic adventures of former Padawan Cal Kestis in Star Wars Jedi: Fallen Order with a special edition, Purge trooper-themed Xbox controller.

Fly off to help the Resistance with an exclusive Poe Dameron X-wing toy available on Triple Force Friday at Walt Disney World Resort, and landing later at Disneyland Resort.

The 6-inch Black Series will debut special first-edition figures in pristine white packaging including Rey and Kylo Ren, plus the Sith trooper and Jet trooper from Star Wars: The Rise of Skywalker, the Mandalorian and a new Jawa from The Mandalorian, and Cal Kestis and the Second Sister Inquisitor from Star Wars Jedi: Fallen Order.

The Vintage Collection adds a stunning new vehicle to its ranks, the specially-modified AT-ST Raider from The Mandalorian.

TM & © Lucasfilm Ltd. All Rights Reserved

KANO.

Children six and up can learn the ways of the Force by mastering coding with a DIY, build-it-yourself kit.

For children looking to extend their Star Wars playtime with their own lightsaber duels, Hasbro also offers the revamped Force rage mask of Kylo Ren with sound and light effects, Rey and Kylo Ren's lightsabers, and the new Scream Saber, which turns any sound you can imagine and record into the sound effect for your lightsaber-swinging action.

Kotobukiya .

Celebrate the new droid duo from Star Wars: The Rise of Skywalker with a collectible statuette of BB-8 and his diminutive pal D-O.

HOT WHEELS..

Hot Wheels will add new character-inspired vehicles that evoke Rey, Kylo Ren, and D-O from Star Wars: The Rise of Skywalker. And Mattel will debut a new car in the style of the AT-ST Raider from The Mandalorian.

FUNKO POP NEWS!

Lando Calrissian, Poe Dameron, Rose Tico, Finn, Jannah, and Zorii Bliss from Star Wars: The Rise of Skywalker join the Funko Pop! galaxy.

You can also get your hands on the Mandalorian, Cara Dune, and IG-11 from The Mandalorian.

And Cal Kestis and the Second Sister Inquisitor from Star Wars Jedi: Fallen Order will get the Pop! vinyl treatment.

LEGO

NEW LEGO SETS.

Individual sets include Lt. Connix with an A-wing, and C-3PO, Chewbacca, and Lando Calrissian taking command of the Millennium Falcon with the help of Boolio, R2-D2, and D-O.

Rey's speeder chase on Pasaana, Kylo Ren's shuttle, and Zorii Bliss in the cockpit of a Y-wing get the LEGO brick treatment as part of a new collection featuring characters and scenes from Star Wars: The Rise of Skywalker.

Toot-Toot Drivers Train Set,

All aboard for loads of fun with the Toot-Toot Drivers Train Set. There are so many ways to play with a swinging bridge, turning flag, open and close gates, loading points and railway switches. Bendable tracks allow for multiple configurations, and four SmartPoint locations keep children engaged with fun phrases, sound effects and melodies when triggered. Choo-choo along while the motorised Freight Train, with the detachable cargo car, hauls the water drum from the station. The Freight Train powers itself up and down the ramp and the teeter totter bridge for multilevel play. Lift the cargo basket with the drum once the train reaches the crane, then send the train back to the depot. Toot Toot!

Toot-Toot Drivers Track Set

Additional Track Sets can be purchased separately to extend the fun, offering multiple track and activity configurations. The Track Set enables all the Toot-Toot Drivers playsets to be attached to one another in a complete loop!! With 40+ track pieces and accessories, the Toot-Toot Drivers Track Set includes easy-to-use straight, curved and bendable tracks that make it easy to go around curves and join road segments together. Be transported by the possibilities!

VTech's beloved Toot-Toot Drivers Vehicles

VTech's beloved Toot-Toot Drivers Vehicles have also had a refresh! There are 12 new and improved vehicles to add to your collection, each with added engraving, facial expressions and mechanical features to improve standalone play.

KidiGear Walkie Talkies.

Add excitement to any adventure with the KidiGear Walkie Talkies. Keep in touch with your sibling downstairs or the neighbour next door with a huge 200m range! These kid-safe, two-way radios feature a digital connection that's clear and keeps children's conversations secure, preventing other walkie talkie users from listening in or chatting with them. Little adventurers can also send messages back and forth by choosing from pre-set animated messages using the large, backlit LCD screen. The walkie talkies also include four two-player games for real-time gaming between devices.

Learn & Dance Dino

Roar, dance and laugh with the innovative Learn & Dance Dino. This clever dino introduces the STEM basics of coding, movements, cause and effect as well as emotions and fine motor skills. He comes with three emotion tiles (happy, angry, sleepy), three music tiles (hip hop, marching, ballet) plus three-character tiles (dinosaur, robot, and monster).

Mix and match them to create 27 different combinations of emotions, music styles and characters such as happy hip-hop dino or an angry marching monster. Place the colourful tiles on Dino's back to customise how you want to play with him. Every time a tile is inserted, Dino moves, sings, dances, talks and encourages children to follow along for gross-motor play.

Experimenting with the emotion tiles helps children build social and emotional skills. Angry Dino may stomp around or say, "Let's practice calming down," helping children learn that there are many ways to express feelings. When playtime is done, store the tiles in the dinosaur egg.

The International Comics Library is in a lot of trouble! If Maggie can't come up with \$500,000 in a week, Dr. Carl is going to bulldoze her grandfather's library and turn it into a parking lot! To save the day, she'll need all her comic drawing skills, the loyal library watchdog, and her new assistant (that's you!).

With Draw a Comic! you'll learn to create and print your own comics books! Follow these simple steps to sketch out your story ideas and ink a comic page. Learn which art supplies are best for drawing comics —you can use a pen, a brush, or even a computer! With the help of photocopy machine, you can even self-publish your own comics and share them with your friends!

AUTHOR INFORMATION

JP Coover lives in Cincinnati, Ohio, where he spends his time making as much rad artwork as possible. On the side, he co-runs a record and comic label called One Percent Press. He's written and drawn almost fifty comics, including his ongoing series, Simple Routines. JP Wants to create cool stuff forever, like illustrating every animal on the planet, creating a library full of kids books, and painting a mural on the moon! jpcoover.com

PETER PAN AND WENDY

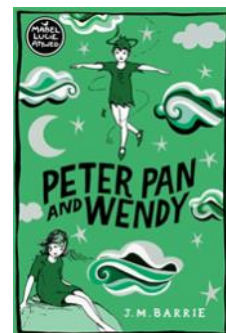

By J. M. Barrie

Illustrated by Mabel Lucie Attwell

Pub Date: 25/09/2018

This edition of J. M. Barrie's *Peter Pan and Wendy* was originally retold by May Byron for little people, with the approval of the author. It is a thrilling adventure for all ages; the story of the boy who refuses to grow up is a tale that never gets old. It follows the Darling children - Wendy, John and Michael - who befriend the magical Peter and are whisked away to the Never-Land, where the villainous Captain Hook and the brave Lost Boys await.

Mabel Lucie Attwell's gentle illustrations and distinctive style have been the nursery staple of generations of children. Her illustrated edition of May Byron's abridged *Peter Pan and Wendy* was first published in 1921. Macmillan is proud to return Mabel Lucie Attwell's interpretation to print.

THE REAL FAMILY CHRISTMAS

By Sue Mongredien

Illustrated by Kate Pankhurst

Pub Date: 29/10/2019

MELBOURNE CONVENTION CENTRE
1 CONVENTION CENTRE PL,

PAX is a series of gaming conventions held in Seattle, Boston, Melbourne, Philadelphia, and San Antonio. Founded by Jerry Holkins and Mike Krahulik, authors of the popular web comic Penny Arcade, each PAX is a show dedicated to supporting and celebrating video and tabletop gaming.

Since PAX's inception, millions of attendees have enjoyed the expo floor halls filled with booths from major game publishers and independent developers, panels from video game industry insiders, game culture-inspired concerts, LAN parties, tabletop gaming, competitions and much more.

HISTORY

In 2004, Penny Arcade established a convention exclusively for gaming, following in the footsteps of comic, anime, and other geek hobbies. That year, a 4,500-person event was held in Bellevue, WA focused around the gaming community. Subsequent years saw the show double in size until venues reached capacity, prompting the creation of the Boston-based PAX East in 2010.

PAX East drew tens of thousands of attendees in its inaugural year and Penny Arcade hasn't looked back since, quickly expanding to markets around the world while still staying true to the original formula of celebrating all aspects of gaming and game culture.

Frostpunk: Console Edition

Release Date: October 11th

Rated: M

The city must survive

Frostpunk is a society survival game where heat means life, and every decision comes at a price. Presenting complex strategic gameplay, demanding challenges and a rich story, Frostpunk is extending its unmatched survival experience to consoles. Adapted for consoles with revised controls and adjusted mechanics, Frostpunk: Console Edition enables you to fully test your tactical prowess on the frozen wastelands.

Offering players a complex, strategic challenge alongside a rich narrative featuring an alternative take on the 19th-century industrial revolution, Frostpunk tells the story of how our planet mysteriously freezes, putting an end to civilization as we know it and forcing the human race to adapt to harsh conditions. As the leader of possibly the last civilised society

ty on Earth, you're going to build the city that your survivors live in, discover new technologies, explore frozen wastelands and most importantly, manage and rule society in order to prepare it for life in an unforgiving world. Whether you're an enlightened ruler or an iron-fisted tyrant, you'll discover that choices in this

world aren't as easy as they seem and that holding power over people has a cost as heavy as the responsibility you feel in caring for them.

Terminator: Resistance

Rated: MA 15+

Marked for termination.

Terminator: Resistance is an officially licensed, first-person shooter set during the 'Future War' scenario that was only glimpsed at in the iconic films from James Cameron, 'THE TERMINATOR' and 'T2: JUDGEMENT DAY'.

This story takes place in a post-apocalyptic Los Angeles, nearly 30 years after Judgment Day, and stars a brand new hero in the Terminator universe, Jacob Rivers, a soldier in the Resistance led by John Connor. Despite the fact that Jacob is just a lowly private, he'll soon discover that he's been specifically targeted by the latest threat from Skynet and marked for termination!

Skynet may be destined to lose the war, but at what cost to Jacob? Experience the events leading up to the decisive final battle for the fate of mankind in the war against the machines!

Features:

- Choose what kind of action hero you want to be! Equip an epic arsenal of weaponry to run and gun or sneak and snipe through sprawling environments! The world isn't as forgiving as it used to be, so you'll need to find resources to help you out. If you can't find what you're looking for, then you better make it yourself.
- Change the fate of mankind! Protect a motley crew of survivors, each with their own motivations and backstories. The actions you take throughout the game will impact their survival and change the ending you get.
- Resist against the machines! Fight against a selection of iconic enemies from the films, including the T-800, as well as a host of enemies that are brand new to the Terminator universe!

STAR WARS JEDI FALLEN ORDER™

Rebuild the remnants of the Jedi Order!

A galaxy-spanning adventure awaits in Star Wars Jedi: Fallen Order, a new 3rd person action-adventure title from Respawn Entertainment. This narratively-driven single-player game puts you in the role of a Jedi Padawan who narrowly escaped the purge of Order 66 following the events of Episode 3: Revenge of the Sith. On a quest to rebuild the Jedi Order, you must pick up the pieces of your shattered past to complete your training, develop new powerful Force abilities, and master the art of the iconic lightsaber - all while staying one step ahead of the Empire and its deadly Inquisitors.

While mastering your abilities, players will engage in cinematically-charged lightsaber and Force combat designed to deliver the kind of intense Star Wars lightsaber battles as seen in the films. Players will need to approach enemies strategically, sizing up strengths and weaknesses while cleverly utilizing your Jedi training to overcome your opponents and solve the mysteries that lay in your path.

Star Wars fans will recognize iconic locations, weapons, gear, and enemies while also meeting a roster of fresh characters, locations, creatures, droids and adversaries new to Star Wars. As part of this authentic Star Wars story, fans will delve into a galaxy recently seized by the Empire. As a Jedi hero-turned-fugitive, players will need to fight for survival while exploring the mysteries of a long-extinct civilization all in an effort to rebuild the remnants of the Jedi Order as the Empire seeks to erase the Jedi completely.

Features:

- Cinematic, Immersive Combat – Jedi: Fallen Order delivers the fantasy of becoming a Jedi through its innovative lightsaber combat system – striking, parrying, dodging - partnered with a suite of powerful Force abilities you'll

need to leverage to overcome obstacles that stand in your way. This combat system is intuitive to pick up but takes training and practice to fully master its nuances as you gain new powers and abilities along your adventure.

- A New Jedi Story Begins - As a former Padawan on the run from the Empire, you must complete your training before Imperial Inquisitors discover

your plan to revive the Jedi Order. Aided by a former

Jedi Knight, a cantankerous pilot, and a fearless droid, you must escape the evil machinations of the Empire in a story-driven adventure. Explore and overcome a wide range of challenges focused on combat, exploration, and puzzle-solving.

- The Galaxy Awaits - Ancient forests, windswept rock faces, and haunted jungles

are all unique biomes you'll explore in Jedi: Fallen Order, with the freedom to decide when and where you go next. As you unlock new powers and abilities, opportunities open up to re-traverse maps in new ways; leveraging the Force to augment the way you explore. Move quickly, however, as the Empire is actively hunting your every step in their effort to exterminate all remnants of the Jedi Order.

DESTINY 2

SHADOWKEEP

Sydney, 2nd October 2019 — Starting October 2nd, independent game development studio Bungie takes the first step toward the next era of Destiny 2, Bungie's critically acclaimed sci-fi action MMO, with a vision of Destiny becoming a single, evolving world for friends to play together anytime, anywhere.

"During 2019, we've developed and shared a clarity of vision we've never had before in Destiny. We're finally going to make the Destiny 2 we've always wanted to make—one world that you and your friends are going to meaningfully change and make memories in," wrote Luke Smith, Game Director, Destiny, in a note to the Bungie player community. "October 2nd is the first step toward what we want Destiny 2 to become. This isn't just the next chapter of Destiny 2, but the next chapter of us. We're just getting started."

Destiny 2: Shadowkeep

Shadowkeep is the next chapter in the Destiny 2 franchise, reuniting you with an old ally from the original Destiny, Eris Morn, to confront new Nightmares. Guardians will return to our Moon—twisted, reshaped, and haunted by the trials of our past—to confront new threats and uncover new additions to their customized arsenal. This is not the same Moon Guardians woke up to—new areas will be uncovered and once-familiar places have irrevocably changed. Destiny 2: Shadowkeep is the first expansion-level, stand-alone content we're delivering for Destiny 2—à la carte and requiring no ownership of previous content.

Season of the Undying (included with Shadowkeep)

Season of the Undying, the next Season of content for everyone, unveils a prophetic awakening of the Vex, time-traveling war machines, as they start their own mysterious war with Guardians

on the Moon while Guardians race to find and eliminate the Nightmares. As part of the single, evolving world vision, content will more deeply tie together narratively from Season to Season as the world of Destiny meaningfully changes alongside players.

Destiny 2 on Steam

The new home for our Destiny PC community is Steam. Players will be able to bring all their progress and purchases with them to Steam, including their Guardians and vaults—at no cost. Full details on how to start this migration are on bungie.net.

Destiny 2 Cross Save

In this next era of Destiny 2, we're committed to unifying our global Destiny 2 community. Cross Save will be available on all supported platforms—PC, PlayStation 4, and Xbox One. With Cross Save, you'll be able to access the same characters tied to one primary account, enabling you to have a unified experience with the same Guardians on different platforms.

One Destiny 2, one community. Thanks for being on this journey with us. See you starside.

Destiny 2 and Destiny 2: Shadowkeep are available on PlayStation 4, Xbox One, and PC via Steam.

Here's what's immediately available for Guardians globally right now:

Destiny 2: New Light (Play for Free)

Destiny 2 is now free for everyone, offering a brand-new entry point for newcomers that puts the world of Destiny 2—and all its foundational modes, activities, and rewards—into the hands of every player, with no barrier to entry. In addition, players can free roam to all destinations, including the Moon—they can even participate in the first campaign mission of the Shadowkeep expansion. Now anyone can play Destiny 2 on all major platforms!

A large, detailed promotional image for the Destiny 2 expansion Shadowkeep. It features a close-up of a Guardian's helmet, which is dark and metallic with intricate designs. The Guardian's face is partially visible through a glowing green visor. The background is a light, textured surface with faint circular patterns. A large, dark, and menacing shadowy figure is emerging from the right side, with a bright red, fiery glow emanating from its chest. The text "DESTINY 2" is written in large, white, serif capital letters, with the Destiny logo (a stylized 'V' with a dot) replacing the letter 'Y'. Below it, the word "SHADOWKEEP" is written in smaller, white, serif capital letters. The release date "10.02.2019" is centered below the title.

Trine: Ultimate Collection.

Released: October 8th

Rated: PG

All four chapters of the Trine series!

With the full quadrilogy in one convenient bundle, Trine: Ultimate Collection is the definitive way for new players and veterans alike to experience all four games in the Trine-verse.

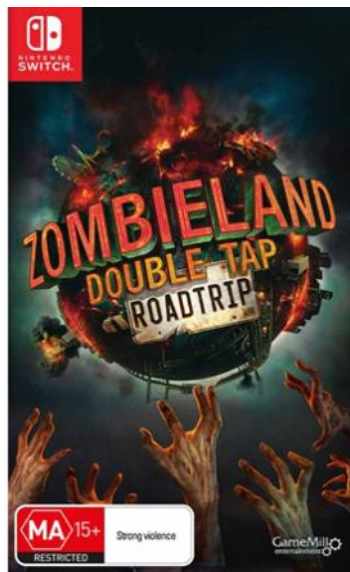

The Trine series begins with Amadeus the Wizard, Pontius the Knight, and Zoya the Thief on a journey across a forsaken and ruined kingdom. Bound to a mysterious artifact called Trine, the three unlikely heroes use their unique skills to battle the undead, navigate treacherous environments, and solve challenging physics-based puzzles across a collection of perilous quests in this best-selling adventure series. Through the first three titles, the protagonists will come to discover, understand, and seek to control the powers bestowed upon them by Trine.

Serving as a capstone to the original trilogy, Trine 4: The Nightmare Prince is the newest entry to the franchise that elevates it to new heights. The three heroes are joined together once again as they search for Prince Selius, a troubled young noble who is afflicted with intensely dark dreams. Due to his magical talents, monstrous nightmares have materialized in reality to wreak havoc and it's up to the heroic trio to resolve the situation before the world is consumed by the Nightmare Prince's shadows.

Featuring a return to the beloved 2.5D style, new ways to play, and the most content in a Trine title to date, Trine 4 is the sequel that epitomizes the best of the franchise.

Includes:

- The complete Trine experience, Trine: Ultimate Collection includes:
- Trine Enchanted Edition
- Trine 2: Complete Story
- Trine 3: The Artifacts of Power
- and the all-new Trine 4: The Nightmare Prince
- A physical map depicting the world players will traverse
- The enchanting Trine 1 – 4 soundtrack (download code)
- A Trine 4 digital artbook (digital code)
- Collectable Reversible Cover Sheet

Zombieland is back!

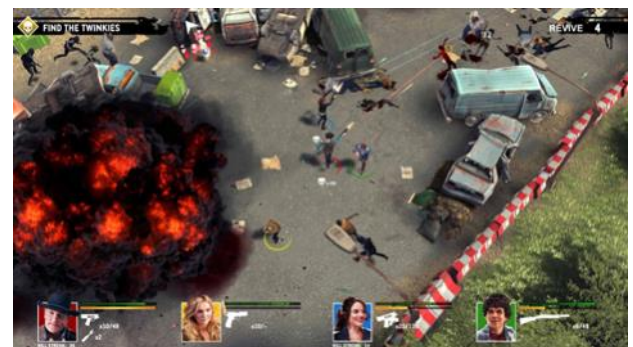

A decade after the critical and commercial success of 2009's horror-comedy road movie Zombieland, the original cast and filmmakers are back by popular demand and reunited in a brand new adventure. Slated for October 18th theatrical release, the new chapter covers new ground: From the Whitehouse into the American heartland, NEW Zombies and NEW human survivors.

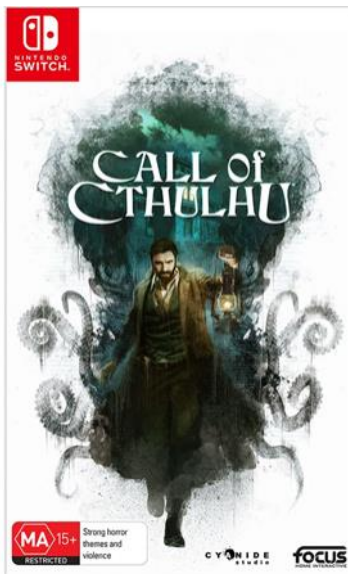

The game is its own unique story based around the events of Zombieland 1 & 2 with a focus on the four-some of characters from the original movie: Columbus, Tallahassee, Wichita, and Little Rock. The game embraces the game-like elements seen in the film by incorporating everything from the "Rules" to "Zombie Kill of the Week" into the twin-stick shooting gameplay.

Call of Cthulhu .

Release Date: October 8th.

Dead Cthulhu waits dreaming...

Uncover the chilling mysteries of this RPG-investigation game, descending deep into a world of cosmic horrors, creeping madness, and shrouded Old Gods within Lovecraft's iconic universe.

1924. Private Investigator Edward Pierce is sent to investigate the tragic death of the Hawkins family in their imposing

mansion on the isolated Darkwater Island, off the shores of Boston. Between unfriendly locals and dubious police reports, it becomes clear there's more to the case than meets the eye. Soon enough, Pierce is plunged into a terrifying world of conspiracies, cultists, and cosmic horrors...

Hidden passageways, nightmarish asylums, illegal bars, and seemingly-abandoned warehouses make up Darkwater's scattered geography. Originally supported by a now long-dead whaling industry, the island is home to only desperate old sailors and decaying families of old money with nowhere else to go. They do not like outsiders. Faced with terrors beyond human comprehension, you must delve deep into the secrets that lay beneath the surface of the Darkwater Island community. Speak with the island's inhabitants, overcome deadly horrors and discover cryptic clues, in a desperate attempt to expose the terrible truth at the heart of the Hawkins case.

In this world, nothing is as it seems. Sanity is an irregular bedfellow, all too often replaced by the whisperings in the dark. Strange creatures, weird science, and shadowy cults dominate

the Cthulhu Mythos, intent on realizing their mad schemes to bring about the end of everything. Your mind will suffer - balancing a razor-thin line between sanity and madness, your senses will be disrupted until you question the reality of everything around you. Trust no one. Creeping shadows hide lurking figures... and all the while, the Great Dreamer prepares for his awakening.

Features:

- **Gameplay** - Investigation comes in many forms. Will you talk to characters to learn their secrets, or look around on your own? A friendly ally may provide a much-needed distraction or reveal a path to progress but picking a lock or stealing a key is equally viable. Despite his experience in the Great War, Pierce is not a fighter, and you will need to find solutions to your problems that don't involve a fist fight or gunning down the inhabitants.
- **Sanity** - How long can Pierce's mind withstand these horrors? Already in a fragile mental state thanks to the ever-present stress the Great War put on his mind all those years ago, his alcoholism will do him no favours on Darkwater. Sanity plays a huge part in how Pierce experiences the world, and how his tale will end - it is up to you to protect him from these dangers, but some truths only reveal themselves to a mind that lets them in.

JOKER

Rated: MA15+

Release Date: October 3rd

Warner Bros. Pictures' "Joker" stars Oscar nominee Joaquin Phoenix in the title role, alongside Oscar winner Robert De Niro, and is directed, produced and co-written by Oscar nominee Todd Phillips.

"Joker" centers around the iconic arch nemesis and is an original, standalone story not seen before on the big screen. Phillips' exploration of Arthur Fleck (Phoenix), a man disregarded by society, is not only a gritty character study, but also a broader cautionary tale.

The film also stars Zazie Beetz ("Deadpool 2"), Frances Conroy (TV's "American Horror Story," Hulu's "Castle Rock"), Marc Maron (TV's "Maron," "GLOW"), Bill Camp ("Red Sparrow," "Molly's Game"), Glenn Fleshler (TV's "Billions," "Barry"), Shea Whigham ("First Man," "Kong: Skull Island"), Brett Cullen ("42," Netflix's "Narcos"), Douglas Hodge ("Red Sparrow," TV's "Penny Dreadful") and Josh Pais (upcoming "Motherless Brooklyn," "Going in Style").

Phillips ("The Hangover" trilogy) directs from a screenplay he co-wrote with writer Scott Silver ("The Fighter"), based on characters from DC. The film is produced by Phillips and Bradley Cooper under their Joint Effort banner, and Emma Tillinger Koskoff. It is executive produced by Walter Hamada, Michael E. Uslan, Aaron L. Gilbert, Joseph Garner, Richard Baratta, and Bruce Berman.

Behind the scenes, Phillips is joined by director of photography Lawrence Sher (upcoming "Godzilla: King of the Monsters," "The Hangover" trilogy), production designer Mark Friedberg ("Selma," "The Amazing Spider-Man 2"), editor Jeff Groth ("War Dogs," "The Hangover Part III"), and Oscar-winning costume designer Mark Bridges ("Phantom Thread," "The Artist").
