Welcome to issue 42 of Just4Fun Magazine. We have a great issue for you. We have so much info to cover this issue, with some great prizes to go with it. Hope you all have been keeping safe in this hard time for everyone. We have so many changes since last issue.

We will keep bringing you all the info we can from around the world as we always have, but due to so much of our world being turned upside down, we will keep up with what we can. To all our readers we do send our best wishes, and we are hoping you all keep staying safe. We will all get through this in time.

AFL is back, and with that we have a special AFL Feature showcasing some merchandise to wet your appetite with. Also do not miss out on our huge TEAMCOACH comp, where you have the chance to win some really cool prizes.

Comps are all through this issue, so make sure you read your way through this issue and find all the comps.

Thomas The Tank Engine turns 75 this year, and we have a brief look at his history, and some merch that is out, including a cool Showbag. We will explore Thomas in coming issues as well.

Nintendo Switch has become a highly sought after console, especially in these times of lockdowns and a more focus on stay at home activities. We have introduced a Nintendo Switch column from this issue onwards, exploring some of the great games on this console.

LeapFrog & Vtech have showcased some amazing new products in this issue, as always. See the new Mr. Pencil Backpack and Leap Reader 3D, and then check out Vtech. Here you will find some new Toot Toot range, and an amazing Action Cam.

There is so much in this issue, we hope you enjoy reading your way through it all. Till next issue please look after yourselves everybody, and stay safe..

## Spider-Man

**Premium Format™ Figure by Sideshow Collectibles.**

Sideshow presents the Spider-Man Premium Format™ Figure, swinging into your web of Marvel collectibles. Just another day at the lab! The Spider-Man Premium Format™ Figure measures 22.5" tall as everyone's favorite web-head wrestles with the tentacles of his foe Doctor Octopus on an Oscorp Laboratories-themed base. Peter Parker expertly avoids Doc Ock's clawed clutches as the robotic arms coil around mangled monitors and machinery in an attempt to snare him.

The polystone Spider-Man Premium Format™ Figure features a sculpted blue and red costume with varied textures and webbing elements on the gloves, boots, mask, and torso. The Spidey suit showcases Peter Parker's athletic physique, with detailed musculature and realistic fabric-like movement. A number of webs wrap around the mechanical tentacles on the base, clamping the deadly claws shut and hiding Parker's camera in the fray. The two open claws also include a light up feature, adding a sinister green glow to the scene.

The Exclusive Edition of the Spider-Man Premium Format™ Figure includes a swap-out portrait with an alternate classic mask design. Enhance your spider-senses with this exclusive additional display option!

## Alien Queen

**Maquette by Sideshow Collectibles.**

Sideshow is proud to present the Alien Queen Maquette created in partnership with Legacy Effects, the talent behind the cinematic terror of the Xenomorphs.

The Alien Queen Maquette stands 19" tall, with the monstrous matriarch prowling atop an intricate egg chamber base. The nightmarish Xenomorph brood beneath her feet features an elaborate array of Alien Eggs, Facehuggers, and two Alien Warriors all in standing scale with their Queen.

This immensely detailed polystone maquette captures the terror and unforgettable presence of the Alien Queen as seen in the film Aliens. The massive Xenomorph's body is sculpted in the same biomechanical style for which H.R. Giger's creatures are famous, with sinewy limbs and a segmented PVC tail curling protectively around her hellish offspring. Pointed polyresin fangs reveal the creature's iconic inner jaw, while her flared head crown gives the Alien Queen incredible stature on any shelf.

The Alien Queen Maquette is sure to be a crown jewel in any Aliens collection. Pair her with Sideshow's Alien King Maquette for the ultimate tribute to the terrifying legacy of the Xenomorph creature.

Don't let her get away from you! Terrorize the colonial marines in your collection and order the Alien Queen Maquette today.

## Breakout Raptor

Statue by Chronicle Collectibles

"That's right, but they never attack the same place twice. They were testing the fences for weaknesses, systematically. They remember."

It's time. Everything she's done has led the pack to this moment. Killing the siblings that threatened her dominance. Attacking her captors with their sticks that burn. Testing the cage that hums, searching for a weakness, for an opening, for escape. And now the captors are gone. The cage no longer hums. The surrounding walls are not high enough to contain her. One leap, and she's free. She, and her pack. Free to run...to hunt...to feed...Chronicle Collectibles is pleased to bring to Jurassic Park fans worldwide the Jurassic Park Breakout Raptor Statue.

Designed with ILM Animation Director Glen McIntosh, this collectible is the realization of a moment never seen on film...that moment when Jurassic Park's alpha velociraptor bursts from confinement. The statue features "Clever Girl" poised high atop the walls surrounding the raptor pen, free with her pack to hunt the humans who had once held them captive. Made of high quality polyresin and standing at 12" in height, this depiction of the original alpha raptor will make a dynamic and imaginative addition to any Jurassic Park collection. The Jurassic Park Breakout Raptor Statue is a limited-edition collectible, so reserve yours today!

## Hulkbuster Deluxe Version

Sixth Scale Figure by Hot Toys.

Specifically designed by Tony Stark and Bruce Banner, the extremely durable Hulkbuster suit can be deployed from orbit. Both Stark and Banner sincerely hope the raw might of the Hulkbuster will never need to be utilized...

Given the immense popularity of sixth scale Hulkbuster Collectible Figure, Sideshow and Hot Toys are ecstatic to officially present the Deluxe Version of Hulkbuster Collectible Figure that provides remarkable illumination and a striking appearance!

Masterfully crafted based on the appearance of Hulkbuster in Avengers: Age of Ultron, the movie-accurate colossal figure stands approximately 55 cm (21 inches) in height and includes a Mark XLIII bust with LED light-up eyes and arc reactor on the chest that can be placed inside the gigantic machine. This iconic armor accentuated with metallic red, gold and silver painting and weathering effect features over 20 LED light-up areas located in the eyes, chest, repulsor palms, back, and legs, an interchangeable battle damaged chest armor, also the beautifully designed chest and shoulder armors that highlight the mechanical details.

In addition, this Deluxe Version will exclusively include a LED light-up Jackhammer left arm with hand, an interchangeable locking forearm, and a Hulkbuster Pod! The spectacular Hulkbuster will make a very impressive addition to your Avengers: Age of Ultron collection!

## Star Wars - The Mandalorian with The Child 10" Pop! Vinyl Figure .

Released: 24 Jul 2020

This is the way.

After the stories of Jango and Boba Fett, another warrior emerges in the Star Wars universe. The Mandalorian is set after the fall of the Empire and before the emergence of the First Order. We follow the travails of a lone gun-fighter in the outer reaches of the galaxy far from the authority of the New Republic.

This supersized 10" Pop! features the Mandalorian in his shiny new Beskar armour, with The Child, an alien foundling. Add them to your collection today!

## Nightmare Before Christmas - Jack with Zero 10" Pop! Vinyl Figure .

That's right. I AM THE PUMPKIN KING!

Jack Skellington, the pumpkin king of Halloween Town, is tired of the same old routine every year. That is until he stumbles upon the door to Christmas Town. Having never heard of the holiday before, Jack excitedly declares that Halloween town will take over Christmas! Ragdoll Sally thinks Jack's plans will all end in disaster, but she cooperates when he asks her to make him a red coat - but can he really fill Santa's shoes?

This supersized 10" Pop! features the Pumpkin King of Halloween Town himself, Jack Skellington, with his faithful ghostly dog.

## Child's Play - Chucky 10" Pop! Vinyl Figure.

"We're friends 'til the end, remember?" - Chucky

After being taken out by Detective Mike Norris, ruthless villain Charles Lee Ray uses black magic to put his soul inside a doll named Chucky. Unknowingly Karen Barclay buys the doll for her young son, Andy. Can you guess what happens next!?

Now you can grab this awesome Pop! Vinyl Figure of Chucky ready to attack with his gruesome knife!

Add him to your collection today!

## Edward Scissorhands - Edward & Dino-Hedge Deluxe Pop! Vinyl Figure

I am not complete.

A scientist builds an animated human being - the gentle Edward. The scientist dies before he can finish assembling Edward, though, leaving the young man with a freakish appearance accentuated by the scissor blades he has instead of hands. Loving suburban saleswoman Peg discovers Edward and takes him home, where he falls for Peg's teen daughter Kim. However, despite his kindness and artistic talent, Edward's hands make him an outcast.

This Pop! features Edward Scissorhands, the frightful-looking but quietly spoken animated boy with hands made of scissors. Here he is with the dinosaur hedge he just finished trimming. Add him to your collection today!

Brown goes awry. Travelling through time in a modified DeLorean car, Marty encounters young versions of his parents and must make sure that they fall in love or he'll cease to exist. Even more dauntingly, Marty has to return to his own time and save the life of Doc Brown.

This Pop! Town features Doctor Emmett Brown with the infamous Hillvalley Clock Tower showing the time 10:04pm, right at the moment it gets struck by lightning.

## Marvel - Avengers Assemble Thor Deluxe .

Avengers Assemble!

They've teamed up to defend the earth and fight for what's right, and they've split down the middle trying to agree on what's right. As Thanos approaches, it's never been more important for them to work together to stop him. They're gonna need all the help they can get. This Deluxe Pop! features Thor, holding Mjölnir at the ready, standing in the strewn ruins of the city.

## Back to the Future - Doc with Clock Tower Pop! Town.

Save The Clock Tower

Small-town California teen Marty McFly is thrown back into the '50s when an experiment by his eccentric scientist friend Doc

## Around The World - Ozzy The Koala.

The Laid-Back Aussie Icon.

Released: September 2020

An endangered species, Koalas are one of Australia's most iconic animals. Spending 18-22 hours each day sleeping, and the rest of the time eating eucalyptus leaves - a source of food poisonous to most animals - they definitely make the most of their laid-back lifestyle. With the ongoing threats to their habitats, thanks to land clearing and the recent bushfires, the survival of the Koala species has never been direr.

This Pop! features Ozzy the Koala from Funko's Around The World Pop! series. Ozzy is wearing a tooth-lined Akubra and khakis and stuffing his mouth full of delicious leaves. It also comes with a limited Funko Pop! Around the World Pin. Add Ozzy to your collection today!

Includes:

- Ozzy The Koala Pop! Vinyl Figure
- Funko Around The World Ozzy limited pin

## BLACKWOOD: THE MOURNING AFTER #4

Evan Dorkin!

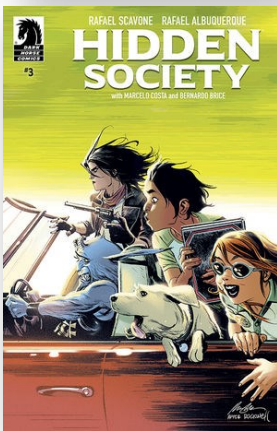

The Dark Wisdom conspiracy is revealed as the traitors make their move, and a sentient mass of interdimensional organ meat invades Dean Ogden's funeral. Making matters weirder, Chimp Ho Tep is on the loose and out for revenge, even if it means harpooning a student or two. The fur flies--as does the flesh--in the fiery finale of our four-issue frightfest. Phew.

## YOU LOOK LIKE DEATH: TALES FROM THE UMBRELLA ACADEMY #1

Gerard Way! Shaun Simon! Gabriel Ba!

The first Umbrella Academy spin off series! When 18-year-old Seance gets himself kicked out of the Umbrella Academy, and his allowance discontinued by Hargreeves, he takes to a place where his ghoulish talents will be appreciated--Hollywood. After a magical high on a vampire-drug-lord's stash, Klaus needs help, and doesn't have his siblings there to save him.

## HIDDEN SOCIETY #3

Our heroes face internal peril as one of their magical members struggles to learn a necessary spell from the grimoire, and unknowing police attempt to stop them from saving the world.

## SKULLDIGGER AND SKELETON BOY #4

With mayor-hopeful and once-superhero Tex Reed in the clutches of a homicidal maniac, both the police and the violent vigilante Skulldigger are one step behind and on a collision course with disaster.

## STRANGER THINGS: SCIENCE CAMP #1

Terror at Camp Know Where!

Dustin arrives at Camp Know Where to navigate the new social hierarchy without the support of his Hawkins adventuring party.

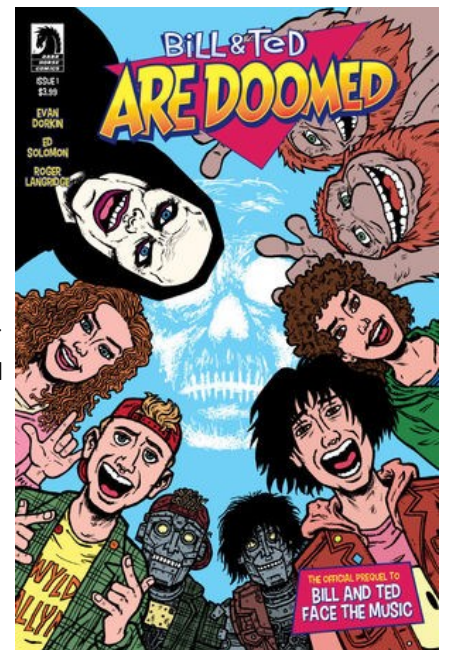

While also faced with nerdy bullies, a new menace haunts the young scientists and camp counselors. A mysterious figure with sinister intent arrives to disrupt the serene woodland scene. The solution won't take rocket science, but Dustin will have to get on the same wavelength as the other campers before tensions reach a boiling point.

\* Comic book tie-in for Netflix hit show, Stranger Things!

## BILL AND TED ARE DOOMED #1

The official prequel series to the upcoming film! After defeating the evil dictator De Nomolos in Bogus Journey in 1995, things aren't looking as excellent as they should for either Bill and Ted or Wyld Stallyns. There's tension in the band and worry at home. Bill and Ted's obsessiveness with writing the one song to bring peace to the world is affecting their playing and their relationships with their families. The band is losing favor with fans and the future isn't shaping up as they were all led to believe it would from past (and future) events. Desperate for a solution Bill and Ted burst in to announce their great idea to revive the band's fortunes: A world tour to spread the love--and the rock, and the love of the rock--to the world.

## Ring Fit Adventure

### Embark on an epic quest using real-life exercise

In Ring Fit Adventure, you will explore an expansive world, battling enemies along the way using real-life fitness exercises. The new Ring-Con and Leg Strap accessories included with the game detect and measure your real-world movements and turn them into in-game actions, like jogging in place to move your character through the world using the attached Leg Strap, or squeezing the Ring-Con and turning that strength exercise into a powerful attack. By playing the game daily, you can regularly work out various parts of your body. With additional mini-games and workout routines, Ring Fit Adventure is a fun experience for players of various skill levels and lifestyles.

Ring Fit Adventure turns a typical adventure game on its head as you squat, press and flex your way through challenges designed for a wide range of body types and levels of fitness experience. Simply attach the Joy-Con controllers from your Nintendo Switch system to the included accessories - one to the Ring-Con and one to the Leg Strap. The Leg Strap attaches to your upper left leg, while the Ring-Con is held in both hands. The Ring-Con is a flexible electronic device that provides resistance and features a sensor that detects exertion and reacts to changes. Ring Fit Adventure can be tailored to the player's level of skill, so even if you don't have experience with fitness, you can adjust the exercise intensity to suit your ability. This will let you continue every day at an activity level that's comfortable for you.

The Adventure mode featured in Ring Fit Adventure takes place in a colourful world where adventure meets fitness. To travel through more than 20 different worlds in the game, jog in place to move forward, and use the Ring-Con accessory to perform different in-game actions, like jumping, hovering in mid-air, or steering a raft on a river. Along the way, enemies will appear, ready for battle. Attack and defend using more than 40 Fit Skills, which are exercise moves divided into arms, abs, legs and yoga categories. The game guides you through how to perform the ex-

ercise correctly, with proper form and posture dealing more damage to enemies. Every action that you perform in-game will earn experience for your in-game character, with level-ups boosting stats and unlocking new Fit Skills that can be used in battle. Adventure mode is designed as a natural way to motivate players to keep playing and exercising regularly, progressing through the game world while also levelling up their real-world fitness. Outside of the main adventure, Quick Play mode is a great way to enjoy Ring Fit Adventure in shorter bursts, allowing you to jump in and out of play. This lets everyone enjoy a quick workout in different ways, like taking turns with friends and family in mini-games to compete for high scores. Mini-games cover a wide range of activities, from breaking boxes with gusts of air triggered by the Ring-Con to shaping pottery by performing squats.

Other modes like Simple and Sets offer additional ways to work out. 'Simple' lets players choose exercises they want to work on, and perform them individually. High scores are recorded so everyone can challenge their personal bests. 'Sets' provide linked sequences of different exercises designed around a theme or a particular body part. This mode is a great way to target a muscle group the player wants to improve, like legs, shoulders, lower body or core. The game even includes a 'Silent' mode for people who live in an upstairs apartment or don't want to make a lot of noise. By activating this mode, jogging-style exercises are swapped out for ones that are a little quieter, allowing players to keep their legs active without a heavy impact on the floor.

#### Includes:

- Ring Fit Adventure Game Card
- Ring-Con accessory
- Leg Strap accessory

### Paper Mario: The Origami King .

A new paper-crafted Mario adventure unfolds on Nintendo Switch!

The kingdom has been ravaged by an origami menace! Join Mario and his new partner, Olivia, as they battle evil Folded Soldiers,

repair the damaged landscape, and try to free Princess Peach's castle from the clutches of King Olly in this comedy-filled adventure, only on the Nintendo Switch™ system.

Mario and Luigi receive an invitation from Princess Peach to attend an origami festival and excitedly hurry to Toad Town... but

something's amiss. After investigating the eerily empty town, the duo finds a fearsome (and folded) Princess Peach - she's been turned into origami by King Olly, ruler of

the Origami Kingdom! With five giant streamers under his control, King Olly binds Princess Peach's Castle and transports it to a distant mountain as part of his plan to re-fold the world.

On his journey to liberate Peach's Castle and repair the ravaged paper landscape, Mario meets Olivia, King Olly's sister and the two join forces to put a stop to Olly's origami onslaught. Even Bowser falls victim to Olly's plot when his minions are turned into origami Folded Soldiers and betray their Koopa king, forcing him to ally with Mario and Olivia!

# INFLECTION EXTENDED CUT

**CAUSTIC  
REALITY**

Caustic Reality is an independent game studio made up of just one game developer. Clinton McCleary from Sydney, Australia, where he lives with his wife and daughter. McCleary has over seven years experience as a designer in the serious games and corporate education sector. He is a graduate from the Academy of Interactive Entertainment, with an advanced diploma of game development specialising in game art. Inflection is his first video game, developed almost entirely as a solo project.

History  
Caustic Reality was founded while Clinton was studying game development. As a student he decided to begin develop-

ment on what would eventually become Inflection and Caustic Reality was born.

Inflection  
After playing Gone Home, Clinton felt inspired to learn game development and create something of his own. Inflection always had the world building and environmental story telling inspired by Gone Home but went through several iterations before it became fundamentally what it is today. The new additions to the game play were largely stealth based with a survival slant. Inflection was successfully released on PC on the 18/10/18 and was well received by both critics and players alike.

## Keen - One Girl Army Slices Evil-Doers on Steam Now!

Nintendo Switch™ Joins the Fray on 2 July

TOKYO— 25 June, 2020 – Keen - One Girl Army, the tactical turn-based puzzle adventure from publisher Phoenixx and developer Cat Nigiri,

explores the Windows and Mac dungeons of Steam today before advancing to the arena of Nintendo Switch on 2 July.

Wield your blade to decimate more than 20 varieties of foes including ghosts, zombies, and evil robots while zipping through the hordes on roller skates. Expansive dungeons including decrepit catacombs, a mysterious forest, and an underwater military base hold upgrades and powerups bestowing the ability to regenerate, damage multiple opponents with a thunderous blast, and create a defensive telekinetic shield.

In Keen - One Girl Army, Kim, a descendant of a long line of female warriors, must thwart an evil corporation's expansion plans threatening not just her island village, but the entire world at large. Armed with the family weapon and strength from training sessions with Gramma, she will traverse many cute yet creepy locales en route to beat down the bad guys.

"Each region of Kim's world has a distinct flavor, but what connects them all together is the way we've melded dungeon, puzzle, and combat design into one seamless adventure experience," said Caio Lopez, founder of Cat Nigiri. "We've combined inspirations from multiple genres to create an experience which is strategic yet fast-paced, and we look forward to seeing all kinds of players plumb the depths of what Keen - One Girl Army has to offer."

Rated: MA15+

Released: July

Something unnatural is happening in the swamps outside Marais, Louisiana. When a mysterious illness strikes the town, CDC investigator Abby Arcane is sent to investigate. At the hospital, she encounters biologist Alec Holland who believes the bizarre illness might be connected to his scientific work in the swamp for powerful businessman Avery Sunderland. Along with Deputy Matt Cable,

Abby and Alec encounter a terrifying, dark force that's more than a swamp-born virus. Abby consults her old friend and local reporter Liz Tremayne who has a lead deep in the swamp. When Alec goes missing after investigating the unnatural experiments deep in the swamp, something else rises in his place: Swamp Thing, a mysterious creature born of the depths of the swamp's mystical and terrifying secrets. With nature wildly out of balance and coming for the people of Marais, in the end, it may take some Thing from the swamp to save it.

## Is it Wrong to Try to Pick up Girls in a Dungeon?: Season 1.

Rated: MA15+

Some adventurers delve into the sprawling labyrinths beneath the city of Orario to find fame and fortune. Others come to test their skills against the legions of monsters lurking in the darkness below. However, Bell Cranel's grandfather told him a different reason: it's a great place to rescue (and subsequently meet) girls! Now that Bell's a dungeon delver himself, the ladies he's encountering aren't the helpless damsels in distress he'd imagined, and one of them, the beautiful swordswoman Ais Wallenstein, keeps rescuing Bell instead.

As embarrassing as that is, it's nothing compared to what happens when goddesses get involved. Freya, Hephæstos, and Loki, with their powerful Familias, are intimidating enough, but there's one goddess whose relationship with Bell is certain to spark trouble. After all, Bell is the only member of the goddess Hestia's Familia, and she's not sure if she wants to share him with anyone!

## Ao-Chan Can't Study! Complete Series.

Most high school girls would be proud that their father is a famous writer, but Ao Horie's father is an erotic writer, a purveyor of pornographic prose. He's authored hundreds of dirty books and it has definitely warped his twisted sensibilities. Since Ao thinks that anyone who learns about her father is going to assume that Ao is at least somewhat like her pornographic papa, Ao's solution is to just not talk to other people, especially boys.

All she wants to do is study and get good grades so she can go to a school far away from her family. And that's why Takumi Kajima is driving her crazy! He keeps trying to talk to her, distracting her, and causing her to think about the kind of things she'd rather not think about...which is why, suddenly, Ao-chan can't study!

### Monkey King Warrior Mech.

LEGO® Monkie Kid™ fans can become civilian-saving heroes with this huge, posable Monkey King Warrior Mech (80012), featuring gold-coloured elements and an extendable staff. This set also features a stud-shooting Bull Clone mech toy and Pigsy's noodle store to inspire creative storytelling. An ideal LEGO gift idea for kids aged 10 and up, it includes 6 minifigures, plus The Golden Staff, a buildable cloud for Monkie Kid and Flower Fruit Mountain mini build to recreate an iconic scene from Monkie Kid's life story.

### Demon Bull King.

Young Monkie Kid fans will love creating epic scenes with this LEGO® Demon Bull King building toy (80010). A brilliant LEGO gift idea for kids aged 9 and up, it features a huge, posable Demon Bull King model, with many cool features to build and inspire play such as a LEGO light brick that lights up the torso, stud-shooting cannons, a 'flame thrower' and a big axe. The Monkie Kid, Pigsy and Princess Iron Fan minifigures each have weapons, including The Golden Staff, to boost the battle action.

### Red Son's Inferno Truck.

Children can dream up limitless action-packed stories with this LEGO® Monkie Kid™ toy building set (80011). Red Son's Inferno Truck has many play-inspiring features, including a button to launch the integrated race car toy and fire the 6-stud rapid shooter, plus a winch to drag the 'exploding' ATM out of the brick-built Speedy Panda store. A great gift idea for kids, this LEGO tow truck comes with 7 minifigures for role play and a colourful Pigsy delivery tuk-tuk for Monkie Kid to drive to rescue store owner Lee.

### Monkie Kid's Cloud Jet.

Kids will love role-playing as hero Monkie Kid, piloting his Cloud Jet, battling for The Golden Staff and saving a civilian with this cool LEGO® playset (80008). The aircraft toy features disc shooters and a minifigure cockpit that detaches to become a speed bike, while enemy Red Son has a buildable Twin Fire Jet Pack and Power Glove for conflict play. A super LEGO gift idea for kids aged 8 and up, it includes 4 minifigures so children can pretend to be their favourite characters.

### Pigsy's Food Truck.

Inspire action-packed playtime adventures with this LEGO® Monkie Kid™ toy playset (80009) featuring Pigsy's Food Truck and 2 buildable toy motorcycles for the food-stealing Bull Clones. The LEGO food truck toy has opening sides for easy access to the kitchen and command center. Fans will love fun features like the fake refrigerator with weapons inside and the pig-shaped rapid shooter on the roof. A super LEGO gift idea for kids, it includes 5 collectible toy minifigures to role-play exciting stories. Monkie fun!

Rooted in China's culture and values, LEGO Monkie Kid sets reimagine Monkey King tales from the classic Journey to the West novel, nurturing children's bravery and resilience while they have lots of creative fun.

- LEGO® Monkie Kid™ fans will love Pigsy's Food Truck, a brilliantly detailed, wacky vehicle with many hidden weapons, such as Pigsy's rake, to battle against 2 food-stealing Bull Clones riding brick-built toy motorcycles.
- Children can role-play food fights with 5 collectible toy minifigures – Monkie Kid and Pigsy in civilian clothes, Snort and Grunt with an axe and stud shooter, and Uncle Qiao – and fun food elements.

Thomas the Tank Engine is an anthropomorphised fictional steam locomotive in The Railway Series books by the Reverend Wilbert Awdry and his son, Christopher, published from 1945. He became the most popular and famous character in the series, and is the titular protagonist in the accompanying television spin-off series Thomas & Friends.

Thomas is a steam engine and has a number 1 painted on his side. All of the locomotives in The Railway Series were based on prototypical engines; Thomas has origins in the London, Brighton and South Coast Railway E2 class designed by Lawson Billinton in 1913. Thomas first appeared in 1946 in the 2nd book in the series, Thomas the Tank Engine, and was the focus of the 4 short stories contained within. Thomas's best friends are Percy and Toby.

In 1979, British writer/producer Britt Allcroft came across the books,[1] and arranged a deal to bring the stories to life as the TV series Thomas the Tank Engine and Friends (later simplified to Thomas & Friends). The programme became an award-winning hit around the world, with a vast range of spinoff commercial products.

## THE TEENY WEENY GENIE - HARDBACK

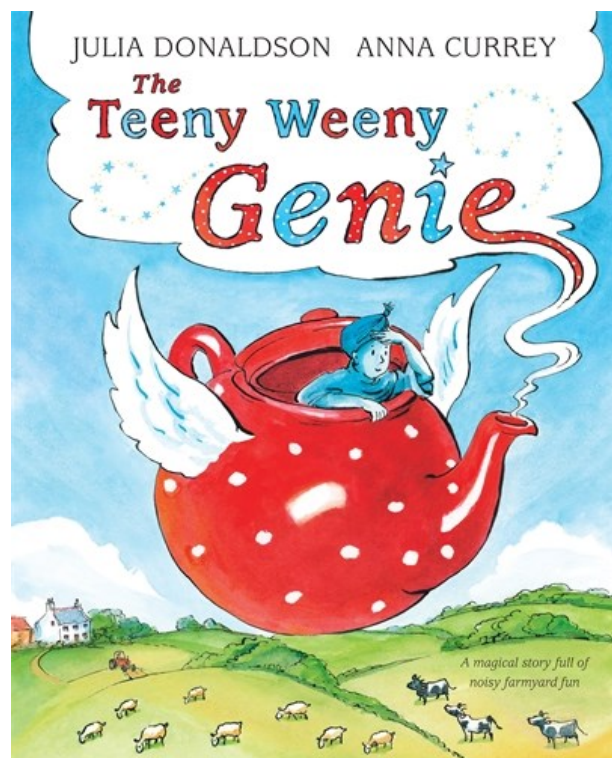

By Julia Donaldson

Illustrated by Anna Currey.

A brilliantly entertaining 'be-careful-what-you-wish-for' tale that's full of farmyard fun – from the bestselling Julia Donaldson and illustrated by Anna Currey in her charming, classic style.

Old Macdonald is cleaning out his farmhouse kitchen when he comes across a dusty old teapot. And no one could be more surprised when a wish-granting genie pops out of the spout. Old Macdonald wishes for a wife, who wishes for a baby. A baby who wishes for a dog, who wishes for a cat, who wishes for some mice! It doesn't take long before the farmyard starts getting very busy, and VERY noisy! Will the genie ever get a break from granting wishes, and find some peace? If only there was someone who could grant him a wish...

The Teeny Weeny Genie is a magical picture book adventure packed with lots of favourite farmyard animals from Julia Donaldson and Anna Currey, creators of Rosie's Hat and One Ted Falls Out of Bed.

## Only You Can Be You: What Makes You Different Makes You Great.

By Nathan Clarkson Sally Clarkson  
Illustrated by Tim Warnes

Some kids like to dance and laugh out loud, and some sit quietly and make up stories in their heads-but we're all different, and that's okay because the maker of everything made us this way!

In their first picture book, bestselling author Sally Clarkson and her son Nathan encourage children on the journey to discovering their strengths. Mother and son duo draw on themes from their first book, *Different*, the emotive story of Nathan's experiences growing up with mental illness and learning disabilities and Sally's journey to loving him unconditionally. With the powerful truth that what makes you different makes you great, *Only You Can Be You* will help children embrace their differences and celebrate the differences in others.

The irresistible rhymes paired with Tim Warnes's whimsical illustrations encourage your children with the reassurance they're looking for in their own uniqueness. Whether they are quiet or artistic, funny or boisterous, your children will love this heart-warming read that assures them that they're wonderful exactly as they are.

## Pink!

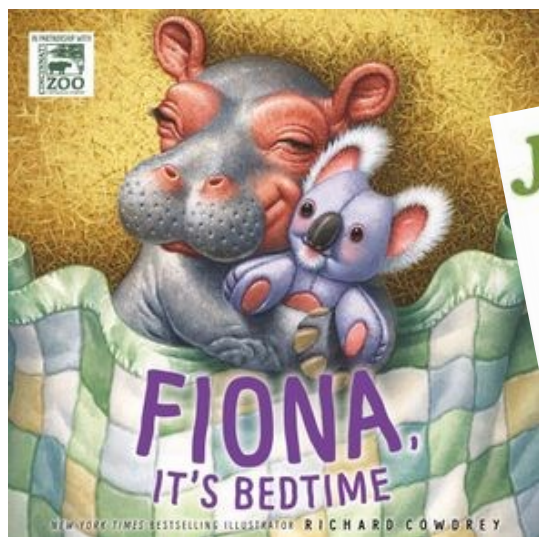

By Margaret Wild

## Meesha Makes Friends

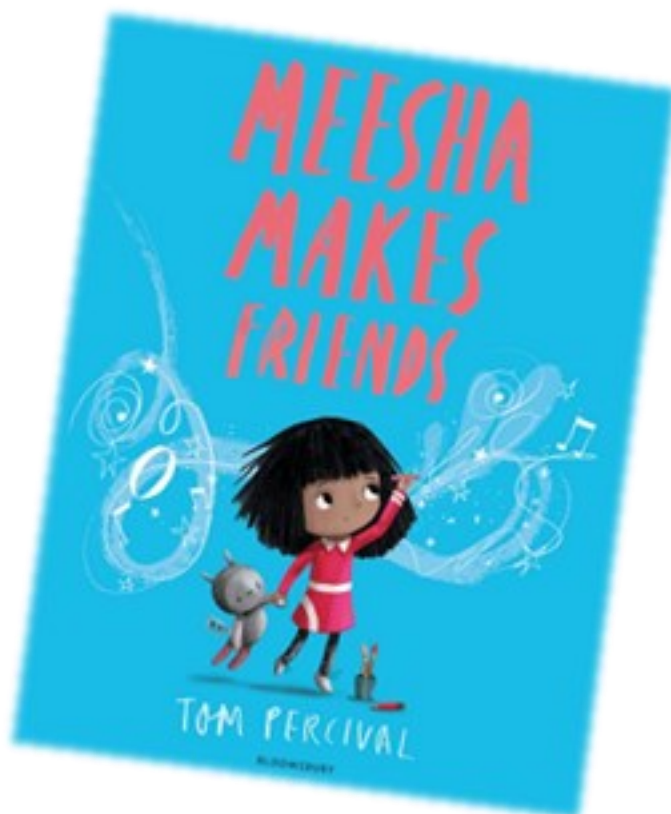

A Big Bright Feelings Book

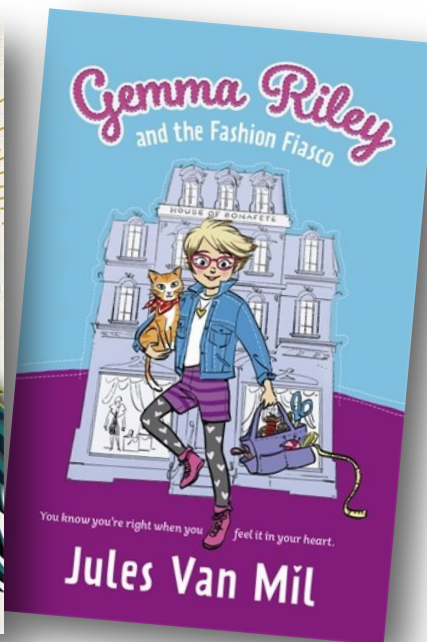

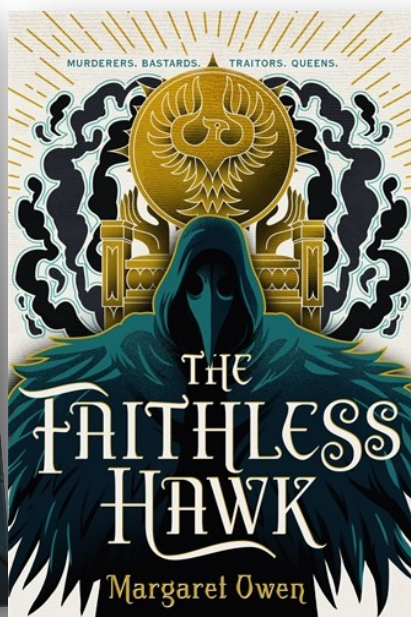

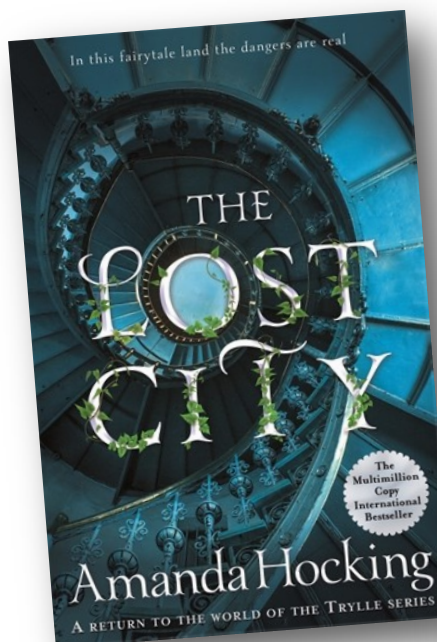

By: Tom Percival

Illustrator: Tom Percival

Meesha loves making things, but there's one thing she finds difficult to make – friends. She doesn't know quite what to do, what to say or when to say it, and she struggles reading and responding to social cues. But one day she discovers that she has a special talent that will help her to navigate challenging social situations and help her to make friends.

A warm and affectionate look at the joys and difficulties of making and keeping friends, relating to others, and finding your place in the world. Wonderfully empowering and emotionally resonant, Tom Percival's Big Bright Feelings series is the perfect springboard for conversations about mental and emotional health, positive self-image, building self-confidence and managing feelings. Every child's bookshelf should contain his books.

## THE LOST CITY

By Amanda Hocking

Welcome to a world in the shadow of our own, a fairytale land where the dangers are very real . . . In this first book in the Omte Origins trilogy, Amanda Hocking creates a fantastic adventure in her much-loved Trylle universe.

Can she unlock the secrets of her past?

Ulla Tulin was abandoned in an isolated Kanin town as a baby. Taken in by strangers and raised hidden away like many of her kind, she has never stopped searching for her parents, or wondering about them.

When Ulla hears of a project designed to help those like her, in the beautiful city of Merellä, she seizes the chance to discover her true heritage. She enlists the help of Pan Soriano, who is both handsome and resourceful - a half-human with telekinesis powers. And she must also contend with Eliana, a mysterious girl who claims she's being pursued. Though Ulla suspects there's rather more to the story.

Ulla and Pan work to unravel the truth about themselves and Eliana. But in the process, they realize that someone - or something - is determined to stop them. And they face a force that will do anything to keep certain secrets.

The Lost City by Amanda Hocking is the terrific first book in the Omte Origins trilogy.

## GEMMA RILEY AND THE FASHION FIASCO

By Jules Van Mil.

She has a ginger cat, a sewing tote and plenty of imagination. Can Gemma Riley catch a thief and save the fashion day?

Fashion is in Gemma Riley's DNA. She lives with her grandmother Cara Bonafete, a famous fashion designer, and dreams of creating her own collection.

But there's big trouble at the House of Bonafete. The release of the Spring Collection is looming, Cara has had an accident and someone is stealing their Top Secret designs.

## THE FAITHLESS HAWK

By Margaret Owen.

As the new chieftain of the Crows, Fie knows better than to expect a royal to keep his word. Still she's hopeful that Prince Jasimir will fulfill his oath to protect her fellow Crows. But then black smoke fills the sky, signaling the death of King Surimir and the beginning of Queen Rhusana's ruthless bid for the throne.

Queen Rhusana wins popular support by waging a brutal campaign against the Crows, blaming them for the poisonous plague that wracks the nation.

A desperate Fie clings onto a prophecy that a long-forgotten god will return and provide a cure to the plague. Fie must team up with old friends—and an old flame—to track down a dead god and save her people.

## Book #3 Elementals

**Battle Born (Elementals, #3)**

By Amie Kaufman.

The much-anticipated finale to Amie Kaufman's epic middle-grade trilogy

Though Anders and his friends have delayed a war between the ice wolves and scorch dragons, their mission isn't over. With adults on both sides looking for them, they've sought refuge in Cloudhaven, a forbidden stronghold created by the first dragon-smiths. The ancient text covering Cloudhaven's walls could be the key to saving their home - if only the young elementals could decipher it.

To make matters worse, Holbard is in ruins and its citizens are reeling. Many have been forced into bleak camps outside the city, and food is running short.

To rebuild Vallen, Anders, Rayna, and their allies must find a way to unite humans, ice wolves, and scorch dragons before they lose their last chance.

In the final book of international bestselling author Amie Kaufman's sensational adventure series, Anders and Rayna must put everything on the line - and the price of peace may hit closer to home than they could've ever imagined.

## The Long Distance Playlist

By Tara Eglington.

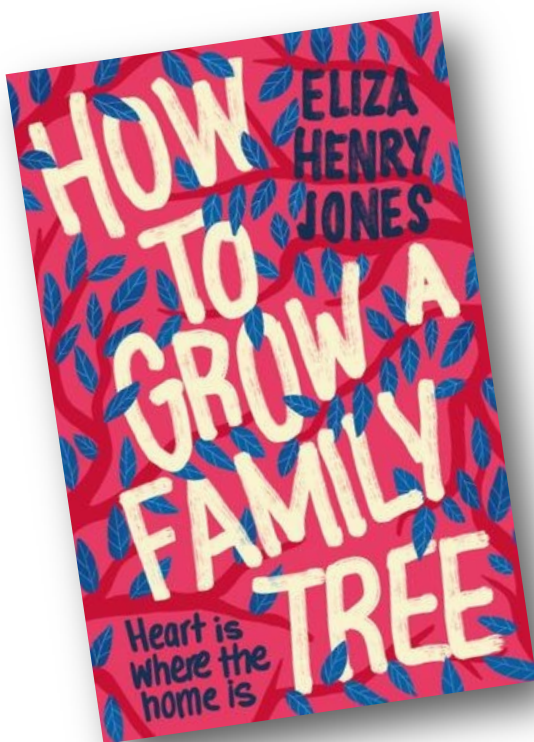

Told primarily in instant messenger conversations, Skype, emails and texts, this is Jaclyn Moriarty's *Feeling Sorry for Celia* for the modern teen.

Taylor and Isolde used to be best friends - before THAT FIGHT, 18 months ago. It's been radio silence ever since - until Taylor contacts Isolde to sympathise with her breakup: the breakup that she never saw coming; the breakup that destroyed her confidence and ended her dreams of joining the National Ballet School.

Taylor's had his own share of challenges, including a life-altering accident that has brought his hopes of competing at the Winter Olympics to a halt.

Isolde responds to Taylor, to be polite. But what starts out as heartbreak-themed Spotify playlists and shared stories of exes quickly becomes something more.

And as Taylor and Isolde start to lean on each other, the distance between them begins to feel not so distant after all ... A boy. A girl. A one-of-a-kind friendship. Cross-country convos and middle-of-the-night playlists. With big dreams come even bigger challenges.

## How to Grow a Family Tree

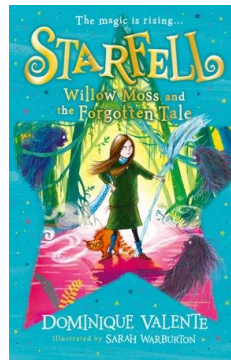

By Eliza Henry Jones

From the author of *P is for Pearl* comes a heart-warming book about family, friendship and what home can mean.

Stella may only be seventeen, but having read every self-help book she can find means she knows a thing or two about helping people. She sure wasn't expecting to be the one in need of help, though.

Thanks to her father's gambling addiction, Stella and her family now find themselves living at Fairyland Caravan Park. And hiding this truth from her friends is hard enough without dealing with another secret. Stella's birth mother has sent her a letter.

As Stella deals with the chaos of her family, she must also confront the secrets and past of her 'other' family. But Stella is stronger than she realises.

## Starfell (2) -

### Willow Moss and the Forgotten Tale.

By Dominique Valente.

The anticipated second book in 2019's breakout magical fantasy series, *Starfell*, starring misfit witch Willow Moss. Perfect for readers of 8+ and beautifully illustrated throughout by Sarah Warburton.

Willow Moss, the youngest and least powerful sister in a family of witches, recently saved the world. The problem is, nobody can remember it - and, to make matters worse, her magical ability seems broken. Instead of finding lost things, objects keep disappearing against her will ... which is especially troubling now that her friend Sometimes needs her help!

Sometimes has discovered how to see ten minutes into the future. Unfortunately that's only enough time to find out that his kidnappers are on their way! His only hope is to write an urgent letter to Willow, asking if she wouldn't mind trying to find him.

As Willow and her friends piece together what has happened to Sometimes, their adventure takes them from an enchanted tower to the magical forest of Wisperia and into dangerous new realms... Can Willow save Sometimes when her own powers are out of control?
